*“The summer’s drought is evident as the Blackwater is reduced to piles of stones and small pools. Despite this, the fall foliage was exuberant. Oh, beautiful nature!”*

## 2020 ANNUAL REPORT 2021 Warrant and Budget

# The 2020 Town Report is Dedicated to

## *Webster's Election Officials*

*Michele Derby, Sarah Chalsma, Nancy Webster, and Mike Jette.*

*In recognition of your commitment and devotion to excellence*

Amid the pandemic came two Elections – The Primary and the General election. Not only would our Election Team have to organize and run an election (with the experience and competence they always provide) but keep residents safe during a global pandemic! The State released a sequence of special COVID 19 regulations which these four had to untangle, understand and implement. Municipalities were eager to observe but the burden lay entirely upon Michele and her team, who conferred over the summer and by early Fall, had developed a plan to assure a safe, procedurally proper and efficient election.

On the days of the Primary and General elections, hundreds of us arrived to vote, masked and socially distanced from each other, and moved through the revamped system like clockwork. Sleep deprived and over-worked, these volunteers, working behind the scenes, made it seem seamless.

A grateful Select Board and townspeople thank each of you for your thoughtful work, your tireless devotion to getting it done right and to seeing the voting and counting process through to the very end. We would also like to thank the volunteers who worked day and night in this effort. How else can a small town like ours run as it does without reliable volunteers?

## **REPORT FROM THE WEBSTER SELECT BOARD**

This was the year of the COVID – 19 Pandemic. As of this writing, we are still battling it. Some have received vaccinations and despite the virus mutations, there seems to be light at the end of the tunnel as long as we continue to wear masks, distance and take care of each other. The Select Board adopted the Governor's recommended actions to protect the public in municipal buildings and these practices are still in place.

So many people stepped up during this pandemic. The Police and Fire personnel all worked overtime – for months. Our Town Clerk Michele Derby was moved from the Town Hall up to the Safety Building where she maintained her hours safely behind glass. Eventually, with thanks to Chief Adams, we were able to bring her back to the Town Hall where both she and our new Land Use Coordinator/Assistant Town Administrator Russell Tatro now can work safely behind plexiglass. All Boards and the Conservation Commission also met virtually, via Zoom, (like the rest of America) to hold meetings. Meeting this way is far from ideal but these are unusual and demanding times. The work of the town commences.

In April, Town Administrator Leslie Palmer was lured away by another job offer; our Financial Administrator Wendy Pinkham had retired and by August, Therese Larson, retired. Over the course of the summer, the Select Board reviewed resumes, interviewed candidates and finally found Dana Hadley, our new Town Administrator. He brings many years of experience to our town and is doing a great job. We also found Russ Tatro to replace Therese (who volunteered to provide Russell with a good orientation and remains available to help out when needed). Russell tackled the difficult task of learning Land Use Regulations and has already become a great support to our Boards. We enhanced our use of technology with regard to Financial Administration and as a result, what had been a full time position is now part time, and we are glad to have Wendy back to help us.

Another personnel change this year occurred when the Van Loans retired as Health Inspectors. Fortunately for our town, Roy and Paula Fanjoy did not go to Florida this winter due to COVID and they offered to take over this responsibility.

At the beginning of the year Bianca Acebron-Peco was on the Select Board, but another job opportunity took her away to Maine. Once again, Dee Blake stepped forward to fill in and complete Bianca's final year on the Board. Dee had to step down from her position as a Trustee of the Trust Funds to accept our position.

The Board continues to move ahead on one of our major projects in town: The replacement of Clothespin Bridge. The engineers from VHB, the group recommended by the Select Board Sub Committee on the bridge, have met before the Select Board. We have been moved forward in the State Bridge Aid program which should allow us to start the project during the 2022-23 year. Another bridge project will be the replacement of the Knight's Meadow bridge on White Plains Road. Our town engineer, Erin Darrow, has been meeting with the NH DES regarding how their new rules and regulations will impact our project, and she thinks that this summer we will have a new bridge. This will be timely as school should be back in session and buses can safely drive over the bridge.

Another large project Webster is considering is a solar array on Deer Meadow Road. This project began as a small array at the Transfer Station, but due to concern over permeating the fabric covering the site,

we decided it would not be wise. Due to the limitation of interconnection capacity, Olivewood LLC then entered into Lease and Purchase arrangements with landowners on Deer Meadow Road. In response to this expansion, the Select Board formed a Solar Array Sub-Committee whose goal it is to complete the Memorandum of Understanding to ensure a mutually beneficial relationship between the town and the Energy provider. The Site Evaluation Committee (SEC) will review the array due to its size and energy output. We would encourage anyone interested in this project to please contact Dana Hadley.

The loan the Town incurred for the Solar Array by the Elementary School was paid off this year.

Finally, the Salt Shed project continues its progress. The Salt Shed Sub-Committee's Phase One goal was to find and purchase suitable land to house a salt shed. (Its current location is problematic for a number of reasons) This was accomplished with the purchase of the MacAllen property located behind the Safety Building. Phase Two will be consist of building the road up and into the site. The Committee met first with Emmett while also researching some engineering firms; two engineers reviewed the site in person, and provided estimates for their work.

So, it has been a productive year notwithstanding the pandemic. Onward!

Respectfully Submitted by,  
Chairwoman Christine Schadler

# **Moderator's Rules**

Webster Town Meeting

*Webster Elementary School, Saturday, April 17 or May 8, 2021*

**Community Principles: The Moderator will plan and organize an efficient and effective meeting where every participant will treat every other participant with respect and courtesy.**

1. Any voter who wishes to address the meeting will first be recognized by the Moderator and will then state his or her name and address.
2. The Moderator will take the articles in order as they appear on the Warrant unless the Moderator announces the intent to take Articles out of order.
  - a. The Moderator will consider each Article as follows:
  - b. The Moderator will announce the Article number and the subject of the Article.
  - c. The Moderator will read the entire article.
  - d. The Moderator will recognize an individual for the purpose of making a positive motion relating to the subject matter of the Article.
  - e. The motion must be seconded prior to any further discussion.
  - f. The person making the motion will be given the first opportunity to speak to the motion.
  - g. The Moderator will aim to follow a 3 minute time limit for each person who wishes to speak on the motion, but maintains flexibility to allow a person to finish sharing their thoughts.
  - h. The Moderator will allow only comments or discussion pertaining to the Article on the floor.
3. All questions to the Select Board, other town officials, or other meeting participants will be directed through the Moderator.
4. Each voter who desires to speak on an article will be given a chance to do so before any voter is given a second opportunity to speak on the same issue.
5. Each motion and amendment will be stated by the Moderator before being voted upon.
6. Only one amendment to a motion will be allowed on the floor at any one time. No amendment to an amendment will be allowed; such proposals will be dealt with as subsequent amendments after the first amendment has been voted upon.
7. Reasonable discussion on both sides of a motion will be allowed before a "call for the question" will be accepted by the Moderator.
8. Any amendment to financial amounts must be stated in dollars. Percentage figures must be converted to dollar amounts to be accepted by the Moderator.
9. A motion to pass over an article until a specific time or until action has been taken on some other designated article will be accepted.
10. A motion to table or to pass over an article indefinitely will not be accepted. The Moderator expects every article to be voted upon since people have been warned of the business in advance.
11. Upon appeal of any ruling of the Moderator, a majority vote of those attending town meeting will prevail.
12. At any time during the meeting these rules may be altered by majority vote of those in attendance.
13. The Moderator is able to explain any motions that affect the main motion such as "Restricting Reconsideration", "Laying on the Table", or "Amending a Motion".

# WEBSTER

The inhabitants of the Town of Webster in the County of Merrimack in the State of New Hampshire qualified to vote in Town affairs are hereby notified that the Annual Town Meeting will be held as follows:

Date: Saturday, April 17, 2021

Time: 1:00 PM

Location: Behind the Webster Elementary School

The meeting will be outside with social distancing observed due to concerns regarding COVID-19

Details: Rain Date – Saturday, May 8, 2021 at 1:00 PM

## GOVERNING BODY CERTIFICATION

We certify and attest that on or before February 22, 2021, a true and attested copy of this document was posted at the Webster Town Hall and at Webster Public Safety Building and that an original was delivered to the Webster Town Clerk.

[illegible]

## **2021 Town Warrant**

### **Town of Webster, New Hampshire**

#### **THE POLLS WILL BE OPEN FROM 10:00 AM TO 7:00 PM TO ACT ON THE FOLLOWING ARTICLES**

To the inhabitants of the Town of Webster in the County of Merrimack in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Webster on Tuesday, the 9<sup>th</sup> day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year. **(BY BALLOT)**

**You are hereby notified and warned that the Annual Business Meeting will be held as follows:**

**Date: April 17, 2021 with a rain date of May 8, 2021**

**Time: 1:00 p.m.**

**Location: The school playground at the rear of Webster Elementary School**

The meeting will be outside with social distancing observed due to concerns regarding Covid-19.

2. To see if the Town will vote to raise and appropriate the sum of **\$1,624,830** for general municipal operations. This article does not include appropriations contained in special or individual articles addressed separately. (Majority vote required)

#### **The Select Board Recommends 3 to 0**

3. To see if the Town will vote to raise and appropriate the sum of **\$447,000** to be added to the following established Capital Reserve Funds under RSA 35:1. (Majority vote required)

Medical Equipment	6,000
Fire Department Air Packs	20,000
Emergency Apparatus	50,000
Fire Department-Mobil Communications	10,000
Police Cruiser	19,000
Highways and Roads	200,000
Bridge/Culvert Improvements	75,000

Public Safety Building	5,000
Town Hall Improvements	5,000
Town Office Equipment	5,000
Webster/Hopkinton Transfer Station	4,000
Fire Department Dry Hydrant Repairs	2,000
Reappraisal	5,000
Fire Department Bunker Gear	2,500
Highway Equipment	7,500
Police Equipment	6,000
Highway Land/Building Fund	25,000

**The Selectboard recommends 3 to 0**

4. To see if the Town will vote to raise and appropriate **\$138,000** to be added to the following established Expendable Trust Funds per RSA 31:10-a. (Majority Vote Required)

Road Preservation	100,000
Technology Fund	10,000
Forest Fire	2,000
Fire Department Equipment	5,000
Highway	5,000
Legal (Webster)	6,000
Compensated Absences	2,500
Municipal Property Maintenance	2,500
Police Vehicle Maintenance	5,000

**The Selectboard recommends 3 to 0.**

5. To see if the Town will vote to establish a contingency fund for the current year under the provisions of RSA 31:98-a for unanticipated expenses that may arise and further to raise and appropriate the sum of **\$16,234** to put into the fund. This sum is to come from the Unassigned Fund Balance and no amount will be raised by taxation. Any appropriation left in the fund at the end of the year will lapse to the General Fund. This is an Individual Warrant Article (Majority vote required)

**The Selectboard recommends 3 to 0.**

6. To see if the Town will vote to raise and appropriate the sum of **\$10,000** to help offset the cost of the bond for “Funds to Repair Dam” passed at the Pillsbury Lake Water District Meeting held August 5, 2006. (Majority vote required)

**The Selectboard recommends 3 to 0.**

**7. NEW HAMPSHIRE RESOLUTION FOR FAIR NONPARTISAN REDISTRICTING**

By petition of 25 or more eligible voters of the town of Webster to see if the town will vote to urge that the New Hampshire General Court, which is obligated to redraw the maps of political districts within the state following the federal census, will ensure fair and effective representation of New Hampshire voters without gerrymandering.

Additionally, these voters ask the town of Webster to urge the NH General Court to carry out the redistricting in a fair and transparent way through public meetings, not to favor a particular political party, to include communities of interest, and to minimize multi-seat districts.

The record of the vote approving this article shall be transmitted by written notice from the selectmen to Webster's state legislators, informing them of the demands from their constituents within 30 days of the vote.

*Article received by Petition*

**8. To Transact any other business that may legally come before this meeting.**

## **Notes Regarding the 2021 Proposed Budget**

These notes have been prepared to explain the various components within the operating budget. The categories are presented in the same order as in the operating budget. There are no changes to the actual accounts or cost centers from the 2020 operating budget. There are changes to the structure for staff and operations.

### **EXECUTIVE:**

This category includes expenses that relate to the cost of overall administrative expenses. It includes stipends and salaries for administrative functions. The two salary lines in this budget are for the Town Administrator and Assistant Town Administrator/Land Use Coordinator. The latter is a new position that was formed in 2020 it encompasses the duties of the Land Use Coordinator and in addition, serves as Assistant to the Town Administrator. The addition of this position negated the need for a recording secretary as minutes for Selectboard, Planning Board and Zoning Board of Adjustment are under the Assistant Town Administrator's umbrella. Stipends in this section are for the Select Board and the Town Moderator. The remaining lines are for incurred expenses. The dues paid to the New Hampshire Municipal Association (NHMA), advertising for legal, notices printing, workshops for training and mileage. 2020 was a highly unusual year with most workshops held virtually. The last three lines are computer related functions:

#### **Software Subscriptions**

Avitar software for Assessing, Tax Collector and the Town Clerk. Accufund the Town's financial software, Town Hall Streams, Zoom Meeting software, the GIS mapping portal and website support.

#### **Contracted technology**

Information Technology management services includes copier printer support and other computer related technical support as needed.

#### **Computer Equipment**

This line covers the cost of computer equipment needing updating or replacing. There are no purchases planned for 2021. It is expected that there will be minor purchases if needed.

## **ELECTIONS, REGISTRATIONS & VITAL RECORDS**

These lines are where the Town Clerk's stipend, Assistant Deputy Town Clerk's wages and election expenses appear.

## **FINANCIAL ADMINISTRATION**

Stipends for the Tax Collector, Treasurer, wages for Deputy Tax Collector, Deputy Treasurer and Financial Administrator are listed in this category as well as related expenses for those functions.

## **REVALUATION OF PROPERTY**

This covers the contract service expense for property assessing.

## **LEGAL EXPENSES**

As the title suggests these are costs for our legal expenses usually provided by Town Counsel.

## **PERSONNEL ADMINISTATOR**

The Town's portion of FICA, Medicare and Retirement are listed here.

## **PLANNING & ZONING**

Planning & zoning expenses are in this category. Legal expenses as related to planning & zoning, and our dues to the Central New Hampshire Regional Planning Commission.

## **GENERAL GOVERNMENT BUILDINGS**

These are the maintenance costs for the Town's physical plant, which include the town hall, the public safety building and the salt shed. Costs for repairs, maintenance and utilities are also included.

## **CEMETERIES**

This area contains the stipend for the cemetery trustees and maintenance expenses to operate the Town's cemeteries.

## **INSURANCES**

The line covers costs to insure the buildings, automobile liability and related expenses for employees.

## **POLICE**

Police Wages include an overall increase of 3%. The full-time hourly wages show a larger increase as an increase was given in the fall of 2020 to an officer to be more competitive with nearby agencies. This is also true in the Police Administrative Assistant's line to . The item of note is the increase in the Vehicle Maintenance line. This was a result of the immediate need to replace a Police Cruiser that was totaled in an accident. This increase is offset in the revenues under insurance reimbursements.

## **AMBULANCE**

This cost is based on the amount paid to the Town of Hopkinton for ambulance services. The cost increased in 2020 and the line was changed to reflect the amount needed.

## **FIRE**

This budget comes in at the same as last year except for Dispatch Service provided by Capital Region dispatch.

## **CODE ENFORCEMENT**

These lines are for Life Safety enforcement and septic review costs. These lines are basically a pass through as the amounts are reflected in the revenues by the fees for inspections.

## **EMERGENCY MANAGEMENT**

There are no changes in this category. The stipend for the Emergency Management director remains that same as well as the other two lines. Travel, Education and Administrative costs.

## **OTHER PUBLIC SAFETY**

This line has been used in the past to cover any costs to replenish supplies that would be depleted in the event of a major incident with the Town.

## **HIGHWAYS AND STREETS**

This budget remains level funded, and these are the expenses for the maintenance of our highways and streets.

## **HIGHWAY BLOCK GRANT**

The budget is offset from the annual road grant money received from the state.

## **SANITATION AND SOLID WASTE DISPOSAL**

This is the cost for our share of the operation of the Webster/Hopkinton Transfer Station. The Town of Webster is responsible for 25 percent of the operating cost of the transfer station. The budget is at the same rate as last year.

## **HEALTH**

The stipend paid to the Health Officer is in this administration budget as well as the Town's support for the Franklin Regional Visiting Nurse Association (FRVNA) and the Court Appointed Special Advocates for children (CASA).

## **WELFARE**

The budget is for the Town's welfare administration and shows an increase due to need.

## **COMMUNITY ACTION PROGRAM**

This is the town's contribution to the Community Action Program which remains the same. I encourage you to read the report from them.

## **PARKS AND RECREATION**

This is to cover the maintenance cost of the town's park. In this budget is where the cost for the electricity at the Veteran's Memorial has traditionally been. There was confusion in the past year as the town had not received a bill. That issue has been addressed however it was not budgeted as this was not discovered until after the budget was finalized. The cost is approximately \$250 annually and for this year will be charged to the town's general electricity expense account.

## **WEBSTER YOUTH SOCCER**

This is the contribution to the town's youth soccer program and remains the same as last year.

## **WEBSTER FREE PUBLIC LIBRARY**

This is the Town's portion for the operation of the library.

## **PATRIOTIC PURPOSES-OLD HOME DAY**

This is town's donation to the Old Home Day committee. The donation was not made in 2020 as the event was cancelled due to the pandemic.

### **PENACOCK COMMUNITY CENTER**

This is the annual contribution for the curriculums offered. This includes the Senior Center, Day Care Center and Afterschool programs.

### **ENERGY COMMITTEE AND CONSERVATION COMMISSION**

These categories cover related expenses, and both have no changes for 2021

### **LONG TERM DEBT**

The town's long-term debt is for the bond on the Public Safety Building. This bond will mature in 2022. The loan for the solar array with Franklin Savings Bank was paid in full this year.

### **SHORT TERM DEBT**

The budget has \$1.00 as a place holder in the event it is necessary to borrow in anticipation of property taxes.

### **SUB TOTAL OF OPERATING BUDGET**

The sub-total of the 2021 budget is \$1,624,580 which is a 4.18% increase from last years operating budget of \$1,559,468. This total does not include the warrant articles for funding of Capital Reserve Funds and Expendable Trust Funds or the individual warrant article for the Pillsbury Lake Bond.

### **CAPITAL OUTLAY**

There is one item in capital outlay this year. It is the warrant article for Pillsbury Lake Dam Building Assistance. This is an annual warrant article and is the town's contribution towards the bond payment for repairs to the Pillsbury Lake Water District Dam. This bond matures in 2026.

### **VOTED FROM FUND BALANCE**

There is a warrant article to establish a contingency fund for unanticipated expenses that may arise during the year that are not provided for in the annual budget. These funds would come from the Town's Unrestricted Fund Balance. The Town can use up to 1% of its operating budget for this purpose.

### **TRANSFERS TO CAPITAL RESERVE FUNDS**

The town has saved money for its large projects for the past several years. This is a very good tool to keep the tax rate stable. Funding for Capital Reserve Funds are for a specific purpose and the fund is set up as such. Capital Funds are usually established to fund a particular project that may be several years in the future. The Capital Improvement Program Committee (CIP) makes recommendations to the Select Board for items to be included. The recommended amount this year of \$447,000 is an increase of \$106,500 over last year. There is a similar reduction in the amount of requested for the Expendable Trust funds.

### **EXPENDABLE TRUST FUNDS**

Expendable Trust Funds are usually established to address immediate needs that may arise during the year for specific purposes. The recommended amount requested this year is \$138,000 and as mentioned above, this is a reduction of \$102,500.

### **TOTAL OVERALL BUDGET**

The overall budget this year, including the operating budget, the warrant articles for funds in the Capital Reserve Fund, the Expendable Trust Funds, and the warrant article for contribution to the bond payment for Pillsbury Lake is \$2,235,814 which is a \$22,503 decrease from last year's total of \$2,258,317 or 1%. These are the appropriations that are requested this year. This total is not raised totally by taxation.

## **PILLSBURY LAKE VILLAGE DISTRICT ANNUAL MEETING WARRANT**

To the inhabitants of Pillsbury Lake Village District, Town of Webster, Merrimack County, State of New Hampshire, who are qualified to vote on District affairs, you are hereby notified that the Annual District Meeting will be held on Wednesday, the 10<sup>th</sup> day of March 2021, at 6:00 p.m. at the Webster Town Hall, 945 Battle St., Webster, N.H.

Voting on Article 1 shall be conducted by ballot. The polls will open at 6:00 p.m. and close no earlier than 7:30 p.m.

**Article 1.** To vote for the following District offices: Commissioner for a term of three years; Moderator for a term of one year; Clerk for a term of one year; and Treasurer for a term of one year. If you are interested please send an email to the clerk to be placed on the ballot.

**Article 2.** To see if the District will vote to raise and appropriate the sum of up to \$6,000 to repair or replace the roof for the maintenance shed that holds all districts documentation and equipment. (Commissioners Recommend)

**Article 3.** To see if the District will vote to raise and appropriate \$31,810 for the operating expenses for the district:

Commissioners Stipends	\$3,000
Clerk Stipend	\$1,000
Treasurer Stipend	\$5,000
Moderator Stipend	\$50
Auditor	\$8,000
Legal Fees	\$50
Building Maintenance	\$500
Property -plowing/mowing	\$3,500
Insurance	\$4,500
Office Expenses	\$3,500
Permit to Operate Dam	\$400
Parks and Recreation	\$500
Property Maintenance-equipment	\$1,800
Tax Anticipation Interest	\$10

<b>Total Article 3</b>	<b><u>\$31,810</u></b>
------------------------	------------------------

**Article 4.** To see if the District will vote to raise and appropriate the sum of \$27,978 for the Water Filtration SRF Loan Payment for 2021. Final Payment will be on 06/01/2028 (Commissioners Recommend)

**Article 5.** To see if the District will vote to raise and appropriate \$143,000 for the purpose of operating the water department.

**Water Distribution & Treatment**

Electricity	\$20,000
Gas	\$2,000
Licensed Operator Service	\$30,600
Telephone	\$1,400
Water Meter Software	\$2,500
Alarm Monitoring System	\$500
System Maintenance	\$83,500
Water Testing	\$2,500

**Total Article 5** **\$143,000**

**Article 6.** To see if the District will vote to raise and appropriate the sum of \$25,969 for the Dam Repair Bond payment for 2021. It is anticipated that \$10,000 will come from the Town of Webster. Should the town's article not pass, the entire amount will come from taxation. This article is non-lapsing until 12/31/2022. Final Payment will be on 01/15/2028 (Commissioners Recommend.)

**Article 7.** To see if the District will vote to raise and appropriate the sum of \$25,000 to be added to the Emergencies Expendable Trust Fund. (Commissioners Recommend.)

**Article 8.** To see if the District will vote to raise and appropriate the sum of \$2,000 to be added to the Land Survey Capital Reserve Fund. (Commissioners Recommend.)

**Article 9.** To see if the District will vote to raise and appropriate the sum of five hundred dollars (\$500) to be added to the Water Main Improvement Capital Reserve Fund. (Commissioners Recommend)

**Article 10.** To see if the District will vote to establish a Recreational Expendable Trust Fund under RSA 31:19a and raise and appropriate two thousand dollars (\$2,000) to be placed in fund, and further name the Commissioners as agents to expend from the fund until rescinded. The purpose of this fund is to be used for Recreational Equipment for our district playground and ballfield. (Commissioners Recommend)

**Article 11.** To see if the Pillsbury Lake Village District will accept fee ownership of the so-called Pillsbury Lake Community Center (Address: 396 Deer Meadow Road, Webster, NH; Tax Map 10, Lot 1) from Pillsbury Lake Management, Inc including all property rights to the land, building, and associated structures, for the purpose of maintaining the Pillsbury Lake Community Center for public purposes as a community center for the residents of the Pillsbury Lake Village District. (Submitted by Petition) (Majority vote required)

**Article 12.** To transact any other business that may come before this meeting.

Given under our hands on this 10<sup>th</sup> day of February, Two Thousand Twenty-one by the  
Commissioners of Pillsbury Lake District.

A true copy of Warrant – Attest:

Respectfully submitted:

## Independent Auditor's Report

### **PLODZIK & SANDERSON**

*Professional Association/Accountants & Auditors*

193 North Main Street Concord, NH 03301-5063 603-225-6996 FAX 603-224-1380

July 29, 2020

To the Members of the Board of Selectmen  
Town of Webster  
945 Battle Street  
Webster, New Hampshire 03303

Dear Members of the Board:

We have audited the financial statements of the governmental activities, major fund, and aggregate remaining fund information of the Town of Webster for the year ended December 31, 2019. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated November 19, 2019. Professional standards also require that we communicate to you the following information related to our audit.

#### Significant Audit Findings

##### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Town of Webster are described in Note 1 to the financial statements. As described in Note 2-C to the financial statements, the Town of Webster changed accounting policies to change the way the Town reports its fiduciary activities by adopting Statement of Governmental Accounting Standards (GASB Statement) No. 84, *Fiduciary Activities* in fiscal year 2019. Accordingly, the cumulative effect of the accounting change as of the beginning of the year is reported in Note I 6, Prior Period Adjustments.

We noted no transactions entered into by the Town of Webster during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the Town of Webster's financial statements were:

Management's estimate of the capital asset useful lives is based on historical information and industry guidance. We evaluated the key factors and assumptions used to develop the capital asset useful lives in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimate of the allowance for uncollectible property taxes are based on historical data and information known concerning the assessment appeals. We evaluated the key factors and assumptions used to develop the uncollectible property taxes in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimate of the accrued landfill postclosure care costs is based on estimates provided by the Town engineer. We evaluated the key factors and assumptions used, by the Town's engineers, to develop the accrued landfill postclosure care costs in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimate of the net pension liability, deferred outflows and inflows of resources related to pensions are based on assumptions of future events, such as employment, mortality and estimates of value of reported amounts. We evaluated the key factors and assumptions used to develop the net pension liability, deferred outflows and inflows of resources related to pensions in determining that they are reasonable in relation to the financial statements taken as a whole.

Management's estimate of the other postemployment benefit liability, deferred outflows and inflows of resources are based on the assumption of future events, such as employment, mortality and the healthcare cost trend, as well as estimates of the value of reported amounts. We evaluated key factors and assumptions used to develop the other postemployment benefits liability, deferred outflows and inflows of resources related to the other postemployment benefits in determining that they are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

#### *Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

#### *Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Adjustments proposed and approved were primarily of a routine nature which management expects the independent auditors to record as part of their year-end procedures. A list of these adjustments for the general fund are attached to this letter.

#### *Disagreements with Management*

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

#### *Management Representations*

We have requested certain representations from management that are included in the management representation letter dated July 15, 2020.

#### *Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Town of Webster's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

#### *Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Town of Webster's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

#### *Adoption of Key Town Policies (repeat comment)*

In reviewing the Town's internal policies and procedures, we noted the Town has not adopted several key policies related to its information technology environment and operations. Specifically, the key policies we recommend the Town develop and adopt include an IT security policy, backup policy, and change in management policy. Adoption of these policies will help to ensure the Town has proper safeguards in place and will ensure a smooth transition during changes in personnel.

## Tax Rate Breakdown Webster

## Requirements for Semi-Annual Billing

### Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Webster	Total Tax Rate	Semi-Annual Tax Rate
Total 2020 Tax Rate	\$22.19	\$11.10
Associated Villages		
Pillsbury Lake	\$4.21	\$2.11

## Fund Balance Retention

<b>Enterprise Funds and Current Year Bonds</b>	<b>\$0</b>
<b>General Fund Operating Expenses</b>	<b>\$6,033,352</b>
<b>Final Overlay</b>	<b>\$27,643</b>

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

## **TREASURER'S REPORT**

The Treasurer serves as overseer of Town funds. Pursuant to NH RSA 41:29, the Town Treasurer shall have the custody of all moneys belonging to the Town, and shall pay out the same only upon orders of the Select Board. The Town of Webster holds accounts at Franklin Savings Bank, Boscawen, New Hampshire office, an RSA required federally insured bank. The General Operating Account funds transfer into a sweep account every night which protects the funds to the highest degree and offers the highest possible interest rates. Funds are then released into the General Operating Budget as needed.

The Town Treasurer keeps all suitable books in both electronic and paper format. All bank accounts are reconciled with the Financial Administrator and/or bookkeeper monthly. These reconciliations are submitted to the Town auditors for examination at the close of each fiscal year.

---

<b>Treasurer's Report</b>	
<b>General Operating Account</b>	
Balance reported on January 1, 2020	\$1,854,826.50
Total Deposits	\$5,595,023.99
Bank Interest	\$8,725.06
Total Withdrawals	(\$5,723,005.00)
Total Adjustments	<u>(260,130.23)</u>
Balance on December 31, 2020	\$1,475,440.32

---

The Town Treasurer does not work alone. I'd like to thank Deputy Treasurer Nancy Cummings for being the back up Treasurer whenever needed. I'd also like to welcome Town Administrator Dana Hadley to Town, and thank him for all of his assistance in the absence of a Bookkeeper the second half of the year. Administrator Hadley stepped in to make sure all Treasurer work could be completed, and more importantly, to ensure that all monthly reconciliations could be completed accurately.

Respectfully submitted,

Bruce Johnson  
Webster Treasurer

## **TAX COLLECTOR'S REPORT**

Property tax warrants for 2020 totaled \$5,363,192.00. Warrants for Land Use Change Taxes and Timber Yield taxes were \$4,950.00 and \$15,702.29, respectively. Second issue property taxes this year were due on January 4, 2021, due the DRA setting our tax rate in late November. Because of the January due date, the amount of unpaid 2020 taxes as of December 31 was \$569,411.38.

However, during the 2020 year, over \$4,788,000 was remitted to the Treasurer. There were 142 electronic payments totaling over \$230,000. For anyone new to the town, please note that the town website offers an important resource in the NH Tax Kiosk, enabling Webster taxpayers the ability to pay property taxes online. Tax information, including copies of bills, receipts, assessments, etc., are available on the site. You can access the tax kiosk from our town website at [www.webster-nh.gov](http://www.webster-nh.gov). If you wish to have your information deleted from the kiosk, you may email me at [kking@webster-nh.gov](mailto:kking@webster-nh.gov).

Due to Covid-19, there have been no NH Tax Collector's Association conferences this year. Also, due to Covid-19 and, to minimize exposure to the public and to myself, I decreased the number of hours I was open to the public during the last tax season. My office hours are 2-4:00 pm on Mondays, and I work in the Town Office several other times during the week. If anyone needs an appointment, please call me at 648-2054.

The Town Office welcomed Dana Hadley as Town Manager, and Russ Tatro this past summer. They are hard-working and enjoyable colleagues. Please welcome them when you meet them. I am grateful for the many good people I have met this past year, and I would like to thank those who continue to graciously provide support.

Karen R King

## TOWN CLERK'S REPORT

### For Year Ending December 31, 2020

To say 2020 was unlike any other year is an understatement. It was slated to be a very busy year with four elections to plan and organize on top of all the regular tasks; and then along came the 2019 Novel Coronavirus.

The Presidential Primary Election was held February 11, 2020. Voter turnout was average with 456 Democratic ballots cast and 272 Republican ballots cast. The Town Election and Covid-19 followed soon after. Voter turnout was very low with only 248 ballots cast. In fact, we had a higher voter participation in the back-to-back years (2017 & 2018) when a nor'easter fell on election day. No one could have predicted that our election laws would be challenged yet again. With Covid-19 in its infancy, thankfully, Moderator Jette opted to continue with Town Meeting on the Saturday following Town Election. Many towns postponed their meeting and struggled with ways to accomplish their business meeting safely.

It was decided to move the Town Clerk's office to the Public Safety Building to remain open to the public. The police department has a service window to the lobby where business could be safely conducted. A shout out to the WPD for accommodating me for seven months (March 30 – October 14). Assistant Town Clerk Judy Jones remained a great help and worked "behind the scenes" on motor vehicle renewals and other projects.

There is no denying that Covid-19 dominated 2020 and how we lived our lives. Through the Governor's Emergency Orders, some allowances in election laws were made to accommodate the challenges Election Officials faced in safely running the two Fall elections. For example, voters could register to vote by mail and also obtain an absentee ballot due to concern for the Covid-19 Novel Coronavirus; one absentee ballot application could be used for both the State Primary and State General Election; partial preprocessing of absentee ballots was allowed prior to Election Day. I am proud to report two grants totaling almost \$10,000 were received to help alleviate the added election costs.

One of the "Speed Voting" opportunities offered.

Monumental time and effort were given to help voters navigate through the election process this year, including extra communication through Facebook posts, multiple absentee ballot/voter registration sessions, absentee ballot applications were included in The Grapevine prior to each election; and the extra measures taken at the polls for absentee voting, outside voting or socially-distanced voting inside, all of which provided our citizens with the opportunity to vote safely.

The State Primary in September had a decent turnout with 276 (46 absentee) Republican ballots cast and 284 (151 absentee) Democratic ballots cast. While not a record turnout, there were 1250 ballots cast in the November General Election, with 97 Election-Day registrations and 229 absentee ballots. It is truly heartwarming to live in a small community and know when a request goes out, people respond. Thank you to the **many** poll workers and volunteers that helped with the elections. And for the use of pop-up tents and propane heaters. A most deserved thank you to Moderator Mike Jette and Supervisors of the Checklist Sarah Chalsma and Nancy Webster. It was a herculean effort that we are on the other side of. Amidst the contentious opinions throughout our country, I can assure you, your vote matters and our elections are run with integrity and pride. Anyone is invited to watch us hand count the ballots after the polls close. Better yet, voters can volunteer to count with us.

We celebrated an anniversary of sorts in September of the single-check payment for motor vehicle transactions. One check is written to the Town and an electronic transfer is made at the end of day to cover the State's portion. A couple other momentous anniversaries that were overshadowed by the pandemic were the 100<sup>th</sup> anniversary of New Hampshire's 1<sup>st</sup> in the Nation Presidential Primary and the 100<sup>th</sup> anniversary of the 19<sup>th</sup> amendment.

Sadly, we lost a long-time election official in 2020. Harold Janeway served as Moderator for 23 years and I had the extreme pleasure of working with him in my early years as Town Clerk. His calm presence and quick wit will certainly be missed. He popped in to serve as Assistant Moderator at the March 2019 election.

My last year of a three-year certification program was cancelled due to Covid-19. I hope it will be offered in 2021. Thank you to the great people of this town for voting me in for another 3-yr term. It is always a learning experience and a pleasure to guide you through your business.

Respectfully submitted,

Michele Derby

Town Clerk

## TOWN CLERK'S SUMMARY

### Summary of Town Clerk's Deposits For the Fiscal Year Ended December 31, 2020

## SCHEDULE OF LONG-TERM INDEBTEDNESS

As of December 31, 2020

Public Safety Building	Original Amount:	\$805,000
	Outstanding Balance as of 12/31/2020	\$120,000

This was a 20-year Bond

Issued:	2002
Maturity Date	2022

Webster Solar Array	Original Amount:	\$115,260
	Outstanding Balance as of 12/31/2020	\$0

Paid in full on December 28, 2020 from 2020 budget in amount of: \$51,760.27

## WEBSTER FREE PUBLIC LIBRARY

The year began as any other, with patrons checking out books and DVDs, Book Group meetings, and plans for an end-of-March presentation by the Squam Lakes Natural Science Center. Everything changed, however, in March, when the library first reduced its services to outside deliveries only, and then closed to the public completely.

The library continued to serve the residents of Webster during this period, however, with expanded online offerings. We already participated in the New Hampshire Downloadable Books Consortium for audiobooks and ebooks and we expanded our hoopla (a new service that we began offering this year) checkouts for ebooks, audiobooks, movies, TV shows, music, and comics. For several months, the New Hampshire State Library offered us free subscriptions to Rosetta Stone for learning foreign languages, Ancestry.com Library Edition for genealogical research, and Tumblebooks for ebooks. The trustees continued meeting, via telephone conference calls. Through Zoom, the librarian continued to host the monthly Book Group and to offer a Summer Reading Program for children. The librarian also continued to work, either at the library or from home, during this period.

Our outside deliveries resumed May 31 and the library reopened to the public August 9. Social distancing guidelines were instituted, as well as limitations on the number of persons allowed in at any one time. Masks were required, and there was lots of wiping and sanitizing, but it was wonderful to have people in the library once again. We kept our outside deliveries for those who were nervous about coming in to the library.

Thank you so much to Heidi Ohlson and Kenny Ohlson for delivering the librarian's weekly activity packets to participating children during the Summer Reading Program, and to Heidi Ohlson and Terri Ohlson-Martin for providing weekly Zoom storytimes. The Summer Reading Program wouldn't have been the same without them.

Thank you also to Judith O'Donnell and to Marylou and Phil Desmarais for their generous donations, and to everyone else who has supported the library this year.

We added 20 names to our patron files and removed 83, giving us a total of 459 registered borrowers. 755 people visited the library during the year. We added 382 books, audiobooks, and DVDs, and removed 340, leaving us with 11,321 materials. Our library members checked out 2574 books, audiobooks, DVDs, magazines, museum passes, and equipment, and downloaded 3306 audiobooks, eBooks, magazines, movies, television shows, music, and comics. We loaned 157 materials to other libraries, and borrowed 93. Our numbers are down from previous years primarily because of the weeks of limited, or no, library service, the cancellation of interlibrary loan services by the New Hampshire State library for half a year, and patrons' hesitation about visiting public places during the pandemic. Here's hoping that things get back to normal before the end of next year!

Our most popular book in 2020 was *Winter in Paradise*, by Elin Hilderbrand, and our most popular DVD was *Crazy Rich Asians*.

By borrowing materials from the library, our members saved \$39,536 over the cost of purchasing them.

Respectfully submitted,

Nancy Picthall-French, Chair

Martin Bender, Treasurer

Leslie Collins, Secretary

## **ROAD AGENT'S REPORT**

The winter of 2020 started out with business as usual. However due to the pandemic the spring of 2020 changed the way the Webster Select Board chose to do road projects and general road maintenance. This decision was based on the potential of financial instability and the unknown. Road construction projects were postponed, and general maintenance was directed to be as minimal, as necessary.

July the Select Board chose to do 450' of Deer Meadow Road near Windsor Terrace due to culvert failure and drainage issues. Sections of ditching on both Deer Meadow and Centennial were done at this time. Pavement completed this project in October.

September the Board decided to go ahead with general maintenance projects. General maintenance included road-side mowing, ditching, graveling, and grading.

Work was done on the Emergency Lane Portion of Clough and Sanborn due to the potential washout of Roby Road. This work is done every three – four years to prevent a wash out of Roby Road, as this has happened in the past.

Due to the lateness in the year, it was decided that some much-needed work would be done to Pond Hill.

October the Mutton Road culverts were addressed and replaced.

November winter sand was put up.

Overall, 2020 was a challenging year for all and I appreciate everyone's patience and support.

Thank you.

Emmett A. Bean, Road Agent

## **HUMAN SERVICES**

The New Hampshire Revised Statutes Annotated- 165:1 spells out the Town's responsibility as it relates to welfare assistance. Guidelines established by the state are followed to decide if a client qualifies for assistance. As no one needs to be reminded, there are various situations that can arise causing a client to need support. In some cases, longer term help is needed, in some, just a push to get back on the tracks. A few clients this year have been hard hit by the pandemic-related job loss. The 2020 budget was \$2,200 and \$7,379.64 was spent to assist residents with housing, homelessness, and utility bills.

Considering the situation caused by the pandemic, the Town received \$1,800 to help with welfare expenses through the Governor's Office for Emergency Relief and Recovery or GOFERR. This brought the total output for the town to \$5,579.64. We were most grateful for that assistance.

The town has supported several agencies that deal with human services such as the Community Action Program, Franklin VNA and Hospice, and Court Appointed Special Advocates for children. In turn, these agencies help to support our residents who need specialized help, whether in financial help, finding a program to assist or offering advice.

I believe that while we should think of Town assistance as a temporary relief, we must provide whatever we can to connect folks to services and help them be successful.

Respectfully Submitted,

Dana I. Hadley  
Human Services Director

---

**Citizens of Webster I present the 2020 Annual Report for your Police Department. This will provide you with statistics of the activity within our community over the past year. 2020 was a very difficult year with the state of emergency due to the Covid-19 pandemic, this changed the day to day life for all. Within our community we had many that were and still are dealing with the effects of Covid-19. We are looking forward to the future, but we must stay vigilant and continue to wear masks and social distance.**

**For the town to provide services the town clerk, Michele Derby was relocated to the police department for several months. There she was available to the public due to the town hall having to close.**

**In our service to the community we patrolled 49,370 miles of our streets and conducted 797 motor vehicle stops, resulting in 127 summons and 670 warnings. Arrests have increased from 34 in 2018 to 46 in 2019 and now 63 in 2020 with 131 charges being filed against individuals. The officers responded to 1,179 calls for service in 2019 and 1,822 in 2020.**

**Due to a motor vehicle accident the 2018 Ford utility cruiser was totaled. It was struck head on by a suspect that the officer was attempting to stop on felony charges. The officer was transported to Concord Hospital by the Webster Rescue Squad and later released. The operator of the other vehicle was not injured and is being held at the Merrimack County house of Corrections on multiple felony charges. The loss vehicle has since been replaced with a 2021 Ford utility cruiser.**

**I want to take this opportunity to thank the members of the Webster Police Department. Sergeant Sparks, Officer Westgate, Officer Wyman and Officer Carrero for their dedication during this difficult year. A special thank you to Lieutenant Mitchell who celebrated 20 years of service. He is devoted and has an unwavering commitment to the Town of Webster. A special thank you to Michele Derby for keeping the office running smoothly and going above and beyond with her duties as Town Clerk and Police Secretary.**

**During these unprecedented times I want to thank Emmitt Bean, our Fire Chief/Road Agent and his first responders for all their hard work. Thank you to the Select Board as well as the staff of Town Hall.**

**Respectfully submitted,**

**Stephen P. Adams**  
Chief of Police

## **FIRE DEPARTMENT**

COVID has had quite an impact on procedures and protocols at our Fire Department. Everything from meetings, trainings, to calls has been challenging.

Although COVID has created much doubt and anxiety, Webster is fortunate to have many volunteers that continue to serve our community during this challenge. We have also seen our roster grow and are grateful to the new members who are coming forward to join our firehouse.

In July we received 15 MSA breathing apparatus. We have done a considerable amount of training with the new air packs.

We have been fortunate to have purchased a used set of extrication tools from Peterborough Fire Department. We have been able to do a number of trainings on different types of automobiles using these tools. A big thank you to Fire Department Member Matt Robblee for helping us make this purchase happen.

We ended our year with a total of 211 calls, many of which we were assisted by the Webster Police Department. We would like to thank Chief Adams and his Department for their support.

As everyone knows this past year has proven to be a difficult and challenging. In many ways it has made us realize how important our family, close friends and our community is. We would like to take this opportunity to thank the residents of Webster for their continued support so we can continue to serve the community the best that we can.

## FOREST FIRE WARDEN & STATE FOREST RANGER

This year we experienced challenging wildfire conditions which led to deep burning fires in remote locations that were difficult to extinguish. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

Between COVID-19 and the drought conditions, 2020 was a unique year. The drought conditions led to the need to have a Proclamation from the Governor, which banned much of the outdoor burning statewide. This, along with the vigilance of the public, helped to reduce the number of serious fires across New Hampshire. However, the fires which we did have burned deep and proved difficult to extinguish due to the lack of water. While the drought conditions have improved, we expect many areas of the state to still be experiencing abnormally dry and drought conditions this spring. For this reason, we ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: Always **Be Careful** with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2021 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting [www.NHfirepermit.com](http://www.NHfirepermit.com). The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nh.gov/nhdf/](http://www.nh.gov/nhdf/). For up to date information, follow us on Twitter: **@NHForestRangers**

## 2020 WILDLAND FIRE STATISTICS

(All fires reported as of December 01, 2020)

\*Unpermitted fires which escape control are considered Wildfires.

\*Miscellaneous includes power lines, fireworks, electric fences, etc...

Year	Number of Wildfires	Wildfire Acres Burned	Number of Unpermitted Fires*
2020	113	89	165
2019	15	23.5	92
2018	53	46	91
2017	65	134	100
2016	351	1090	159

CAUSES OF FIRES REPORTED								
(These numbers do not include the WMNF)								
Arson	Debris Burning	Campfire	Children	Smoking	Railroad	Equipment	Lightning	Misc.

Telephone: 603-225-8988  
Fax: 603-228-0983

### **2020 ANNUAL REPORT TO BOARD OF DIRECTORS**

The 2020 annual report is prepared for the Board of Directors of the Capital Area Mutual Aid Fire Compact as a summary of general activities and events occurring through December 31, 2020. It is also provided to the Town offices of the Compact's member communities for information and distribution as desired.

The Compact serves 23 communities in 4 counties. The Compact's operational area is 817 square miles with a resident population of 135,716. The Equalized Property Valuation in the area we protect is over 16.4 billion dollars. We also provide and receive mutual aid responses with communities beyond our member area.

Like everyone, the Compact was impacted by the pandemic during 2020. During the spring, we saw a reduction in overall calls for service. That lull did not last and call volume increased as the pandemic spread. We finished the year with a slight reduction in call volume. The pandemic limited our training opportunities, our ability to meet as a group and the ability of our vendors to complete projects.

The Compact provides 24/7 emergency dispatch service to member communities. This service is contracted with the City of Concord Fire Department's Communications Center under the direction of dispatch supervisor Captain Elisa Folsom. A detailed activity report by town/agency is attached.

During 2017 we selected a vendor, signed a contract and began the process of replacing our Computer Aided Dispatch (CAD) software. We worked on this throughout 2018 and 2019. The vendor missed their scheduled implementation dates. During 2020 our attorneys and the Executive Committee successfully negotiated a settlement agreement with the vendor. We have researched new CAD vendors and we have selected RapidDeploy to provide the Compact with a new cloud-based CAD. We hope to be operating on the new system in the spring of 2021.

The 2020 Compact operating budget was \$ 1,247,795. The budget submitted by Concord for the operation of the dispatch center contained errors that were not apparent until after all of our communities had completed their budget process. This left us starting 2020 with our budget underfunded by \$200,817.17. While expenditures were \$83,337.66 over the presented budget, our revenue exceeded our expenses by \$17,675.79. This was possible through careful control of our expenditures, deferring some projects and applying offsetting revenue from our CAD settlement.

Funding for all Compact operations is provided by the member communities. We continue to apply for State and Federal Grant Funds when available. During 2018 we received a Homeland Security Grant in the amount of \$387,415.00 to replace the existing dispatch console equipment.

Work on that project began in 2019 and was expected to be completed during 2020. It will extend into 2021, due to delays caused by the pandemic.

The Compact and Hazmat Team have received over 3.6 million dollars in grant funding since 1999. These funds have been used for communications improvements, training and equipment. The direct benefit that your community has realized from these grants is made possible by your participation in the regional service that we provide.

During 2020 the Compact received a grant to install Mutualink. This equipment and software allows us to securely share communications and data with dispatch centers and other partners around the State to enhance our Public Safety Interoperability.

As Chief Coordinator, I responded to 547 incidents, a 4% increase over 2019. In addition to responding to provide command post assistance at those mutual aid incidents, I also aid all departments with response planning, updating addressing information, and I represent the Compact with several organizations related to public safety.

Compact officers serving during 2020 were:

President, Chief Jon Wiggin, Dunbarton  
Vice President, Deputy Chief Ed Raymond, Warner  
Secretary, Chief Guy Newbery, Concord/Canterbury  
Treasurer Chief Jeff Yale, Hopkinton

The Training Committee activities were placed on hold due to pandemic.

The Central New Hampshire Hazmat Team represents 58 Capital Area and Lakes Region communities and is ready to assist or respond to hazardous materials incidents in our combined areas. The Team responded to 7 hazmat incidents during 2020.

Gary Sleeper has volunteered his services to create and maintain a web site for the Compact at <https://www.capareafire.org/>. Please visit the site for incident photos, news, scheduled events, training info, SOGs and department profiles.

All departments are encouraged to send representation to all Compact meetings. Your input is needed. The Compact was created for the mutual benefit of member communities and active participation is a necessity to ensure the needs of all are being met.

I invite anyone with questions or comments to contact me. I thank all departments for their cooperation. Please contact any Compact officer or the Chief Coordinator if we may be of assistance.

Respectfully submitted,  
Keith Gilbert, Chief Coordinator

Outbound Telephone Calls	7,480	7,926	6.0%

## **PLANNING BOARD**

The Webster Planning Board remained productive in 2020 despite the uncertainty created by the Covid-19 pandemic. In-person meetings were suspended in March and April. Under the governor's Stay-at-Home order, virtual meetings were resumed in May. In September, the Board welcomed Dana Hadley and Russell Tatro as Town Administrator and Land Use Coordinator, respectively.

At the start of the year, final changes were made and approved for the Site Plan Review regulations. The applications, checklists and process for the Major and Minor Subdivision and Site Plan Review regulations were all updated, marking the end of an arduous review of the town regulations that began in 2014.

The Planning Board members continued their work on the wetlands and watershed protection ordinance throughout the year, first reviewing the literature and then the proposed aspects of the buffers, permitted uses, administration and other details. A joint subcommittee was formed with the Webster Conservation Commission. The CNHRPC was commissioned to develop a series of maps used in the analysis. The town website was updated with a record of the research and analysis developed over two years that supports the ordinance. The final draft was presented late in the year at Planning Board meetings. The Board ultimately voted to continue the work on the ordinance in 2021, as the legal review was incomplete and the opportunity for public information and comments was not adequately addressed.

The Planning Board developed the Capital Improvement Program (CIP) with a Subcommittee comprised of Planning Board members, Town administrative personnel and citizen volunteers. Town department heads and others identified their capital needs for the next six years. The Subcommittee provided their capital funding recommendations to the Select Board for use in the budget process.

Members of the Planning Board were appointed to the Deer Meadow Solar Project and will be working with the Select Board to review the Memorandum of Understanding with Olivewood Energy for this significant town project.

The Planning Board conducted public hearings to approve two minor subdivisions and a lot line adjustment for the Salt Shed relocation project. Public hearings were also held to amend the driveway regulations and the site plan review regulations, and for tree trimming on scenic roads. Applications and permits were processed for two driveways. Eleven building permits were issued by the Land Use Coordinator and approved by the Select Board.

Thank you to the members of the Planning Board and all the town volunteers and staff for your continued commitment to protecting, preserving and improving our beautiful community.

Respectfully submitted,  
Susan Rauth, Chair

## WEBSTER CONSERVATION COMMISSION

Like all of the instruments of Webster Town Government, your Conservation Commission had a challenging year in 2020. The COVID-19 pandemic, beginning in March, made it impossible for us to meet in the way we had all come to look forward to, enjoying one another's good company and also giving the citizens of Webster a chance to join us and be heard. As per the orders of the Governor, we managed to carry on using Zoom technology, something that now seems sadly normal. The meetings were kept as an open forum and, on a number of occasions, we were able to accommodate members of the public and get their important insights on matters at hand. Hearing from our citizens makes a more competent and effective commission, better able to meet our charge. The Webster Conservation Commission is one of more than two hundred Town Conservation Commissions under the auspices of The New Hampshire Association of Conservation Commissions which provides us with information, educational programs and guidance in the performance of our duties.

Two years ago, the Conservation Commission undertook the complex and critical task of creating a Wetlands Ordinance for our Town. With concern for the needs and demands of a growing town, we sought a balance, determined to conserve and preserve all those elements of our town which makes people want to come here, and want to remain here. Knowing those things is easy, for we all love this place for its natural beauty, for its history, and for its people; people who love the woods, the waters, the pastures, and the hillsides around us.

The work on the Wetlands Ordinance, as of this writing, has been submitted to the Planning Board for their consideration and revisions, and we are presently awaiting a careful legal review before the document can be considered as ready for judgement by the citizens of Webster at Town Meeting in March of 2022. We anticipate hearings which will explain the Wetlands Ordinance and get further public comment prior to a vote. It should be added that many New Hampshire Towns have such ordinances, and your Conservation Commission used several such ordinances as a basic template for our own ordinance, along with consultations by experts in the field.

We believe that the people of Webster will be grateful for our care and endorse these efforts with their vote next year.

This year, the Conservation Commission saw the addition of two new members, **Dan Moran as Chair, and Michele L. Tremblay as Second Alternate** following a vote in March 2020 to allow the expansion of our membership to seven full member and two alternates. Other members include **Chris Schadler, Betsy Janeway, Sue Roman, Mary Jo MacGowan, Isabel Brintnall, and Linda Clark**, as well as First Alternate **Sally Embley**. We feel that the talents of our members, their backgrounds and life experiences make our Conservation Commission a capable and inspired group of people, all willing to unselfishly give of their time, all anxious to serve our community.

One of our responsibilities as a Commission is to monitor the Town's Conservation easements by literally inspecting them on foot, something that was spear-headed by Betsy Janeway and Linda Clark with the assistance of all members. One especially enjoyable day occurred when we all trekked up, with the guidance of landowner Jolie Kimball and found Ox Pond which abuts one of our most important Rockefeller easements. It was in the fall and could not have been more beautiful. A photo is attached.

The Conservation Commission is dedicated to maintaining these easements and creating more, and we are always happy to meet with landowners who wish to consider easements on their own property. These easements are a critical part of our conservation efforts to keep as much land as possible conserved in perpetuity.

Part of our charge is to create means to educate our citizens about all matters related to conservation and to that end, Betsy Janeway has been submitting monthly articles to The Grapevine to highlight

the natural wonders around us. Betsy is a virtual encyclopedia on all kinds of related subjects but especially expert on birds. This year she was awarded a great honor by The New Hampshire Audubon for both her knowledge and contributions in her being the Goodhue-Elkins Award winner for 2020. We are understandably proud of her as are the citizens of Webster. What a treasure she is!

Michele L. Tremblay put part of her vast expertise to great use for us by creating a Webster, NH Conservation Commission Facebook page and we ask all our friends to “like” the page so that they can be informed of updates and new information. If you “like” it, you are sure to like what you see in the future on our page.

Here is that link:

<https://www.facebook.com/WebsterConservationCommission>

Chair Dan Moran undertook the task of creating a series of short videos about the various wetlands in Webster as part of an effort to educate the citizens as to the critical nature of these naturally occurring elements of our town. It is the hope of the Commission that the people of Webster will take time to watch these videos and also to be on the lookout for further educational efforts on our part to better explain the immense importance of the Wetlands, and the absolute need to protect them that is embodied in the Wetlands Ordinance the voters will consider in March of 2022. The links to the videos can be found on the Webster Town website on the page for The Webster Conservation Commission.

Here is a link to that page:

[https://www.webster-nh.gov/conservation-commission/pages/webster-conservation-commission-educational-video-series\](https://www.webster-nh.gov/conservation-commission/pages/webster-conservation-commission-educational-video-series)

The titles of the videos are:

*The Wetlands of Webster*

*The Vernal Pools of Webster*

*The Lakes and Ponds of Webster*

*The Rivers and Streams of Webster*

*Bogs, Fens and Peat Swamps*

*Marshes, Wet Meadows and Shrub Wetlands*

The Conservation Commission has also discussed other matters of concern to our town including the relocation of the salt shed away from the Blackwater River to a less impactful place behind the Safety Building, potential locations for a gravel pit, possible purchases of conservable properties in town, and the placement of easements on some properties already owned by the town. We would also like to note our deep sadness at the death of former New Hampshire State Senator and former Town Moderator, Harold Janeway. Harold was a determined and dedicated voice in Webster and beyond when it came to matters of conservation. We are also grateful for a bequest in his name in the amount of \$10,000 to the Webster Conservation Commission, something that we hope to put to good use in the future. We are grateful to all persons who wish to donate to the cause of conservation in our Town. We all look forward to a happy, healthy, and productive 2021.

Respectfully submitted

Dr. Daniel T. Moran, Chair

Webster Conservation Commission

## ENERGY COMMITTEE

Solar power keeps shining in Webster. In 2020, the Town's solar panels generated more than 114% of the Town's electrical power needs. The Energy Committee continues to monitor the solar array and continues to maintain the site with regular mowing, weed whacking, and trimming.

The Energy Committee works on all energy related issues affecting the Town. This includes monitoring Deer Meadow Solar's planning for a large solar power installation off Deer Meadow Road, and reviewing the required "Memorandum of Understanding" that will protect the Town's interests. Some members are on the Select Board's subcommittee, and all members have offered input.

The Committee has started to research and expects to continue work on a community power agreement to bring a less expensive electricity alternative to all Webster residents. This will be a major project with lots of research, cooperation with neighboring towns and cities, and many additional steps. Residents can look for more information to come.

The Safety Building uses a lot of energy. While the Committee has already helped to make some changes that have saved money so far, there is still more to do. The next step may include more energy efficient heating systems.

In the fall of 2019, the Energy Committee made improvements in lighting at the Town Hall and the Safety Building. Some of the Town Hall work included cutting off separate outdoor lighting accounts, replacing Town Hall outside lights with LEDs, and consolidating accounts to the Town Hall account. Safety Building work included new LEDs. So far, savings have been significant.

The Committee will continue to work on maintaining the solar array and to find additional improvements and savings related to the Town's energy needs and usages. We welcome new members, and anyone interested in joining the committee is encouraged to contact any one of the members listed below.

# COMMUNITY ACTION PROGRAM - WARNER AREA CENTER

## 2020 SUMMARY OF SERVICES PROVIDED TO WEBSTER RESIDENTS

SERVICE DESCRIPTION	UNITS OF SERVICE	HOUSEHOLDS/PERSONS	VALUE
<b>EMERGENCY FOOD PANTRIES</b> provide up to five days of food for people facing temporary food crisis. Value \$5.00 per meal.	Meals – 1,105	Persons – 226	\$5,650
<b>FUEL ASSISTANCE</b> is available to income eligible households to help with energy costs during the prime heating season. Priority is given to the elderly and disabled.	Application – 21		\$19,471.09
<b>ELECTRIC ASSISTANCE</b> program is a statewide program funded by all electric rate payers which provides a specific tier of discount from 9% to 77% on electric bills for income eligible households.	Enrolled HH – 16		\$6,091
<b>WEATHERIZATION</b> improves the energy efficiency of income eligible households. Supplemental program also includes furnace replacement, water heater replacement and roof repair. Value includes average material and labor.		Persons – 2	\$10,818
<b>USDA Commodity Surplus</b> foods are  now distributed directly to local food pantries and kitchens on a month to month or quarterly basis. They serve all in need not just residents of the town	Cases-134		\$4,354.68
<b>GRAND TOTAL</b>			<b>\$46,384.77</b>

**INFORMATION AND REFERRAL:** CAP provides utility, landlord/tenant, legal and health counseling as well as referrals for housing, transportation and other life concerns. These support/advocacy services are not tracked.

Respectfully submitted,

*Beth Heyward*

Community Services Director

## 2020 Annual Report from the Currier & Ives Scenic Byway

The Currier and Ives Scenic Byway is a 40-mile long state-designated route that passes through the towns of Salisbury, Webster, Warner, Hopkinton, and Henniker. It is part of the New Hampshire Scenic & Cultural Byways Program administered by the NH Department of Transportation (NHDOT). The Currier & Ives Scenic Byway Council is a volunteer organization with representatives from each of the five Byway towns. Byway Council members are appointed by their Select Board.

Due to the impacts of the COVID-19 Pandemic, the Currier & Ives Scenic Byway Council was only able to meet once during the 2020 calendar year. With that being said, members of the Byway Council continued their efforts in public outreach and promoting the Byway among residents and visitors alike.

The majority of the Byway's outreach occurred online, including the Byway's website and Facebook page. The Council promoted the Byway as a fun, safe, and socially-distance activity throughout the year and encouraged travelers to share their photos with us. Council members also worked with local officials, businesses, and organizations to link the Byway to their respective websites.

The Byway Council would like to thank all of its volunteers and the staff and residents of our five towns for their continued support throughout this challenging year. It is our hopes that in the next year we will be able to resume our regular meetings and continue to build awareness of the Byway.

The Currier & Ives Byway Council is currently looking for volunteers. Local residents, businesses owners, or others affiliated with the community are welcome. The Council meets quarterly on a rotating basis among the five Byway towns. Meetings are open to the public, and all interested parties are welcome. Information is available on the Byway website at [www.currierandivesbyway.org](http://www.currierandivesbyway.org).

Check out the Currier & Ives Scenic Byway's Facebook Page at [Facebook.com/currierandivesbyway](https://www.facebook.com/currierandivesbyway)!

Please contact your Byway Council representatives if you are interested in learning more. The Town of Webster Byway Council Representatives are John Clark and Kim Fortune. Central NH Regional Planning Commission provides administrative support to the Byway Council and can be reached at [cnhrpc@cnhrpc.org](mailto:cnhrpc@cnhrpc.org).

## CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

28 Commercial Street, Suite 3, Concord, NH 03301  
(603) 226-6020

[www.cnhrpc.org](http://www.cnhrpc.org)

Established in accordance with state law, the Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 20 communities in Merrimack and Hillsborough Counties. Craig Fournier, Susan Rauth, and Susan Roman (Alternate) are the Town's representatives to the Commission.

CNHRPC's mission is to comply with State statute (RSA 36:47) by preparing and adopting regional land use and transportation plans and a regional housing needs assessment. CNHRPC evaluates developments of regional impact (RSA 36:54-58) and provides data, information, training, and high-quality, cost-effective services to our member communities. CNHRPC also provides technical assistance services, including zoning ordinance development, grant writing assistance, circuit rider assistance, plan review services, local master plan development, capital improvements program development and guidance, hazard mitigation planning guidance, and Planning Board process training. CNHRPC advocates for member communities and assists and encourages them in both municipal and regional endeavors.

In 2020, CNHRPC undertook the following activities in Webster and throughout the Central NH Region:

- Provided technical assistance to town representatives on various issues, assisted the Conservation Commission in investigating a wetlands ordinance (including a wide range of GIS mapping analyses and maps to help support decision making), provided assistance regarding the Clothespin Bridge replacement project, and provided informational resources related to the wetlands overlay district to the Planning Board.
- Assisted the Currier and Ives Scenic Byway Council with its member towns of Henniker, Hopkinton, Webster, Warner, and Salisbury. The Byway Council continued to provide outreach for the Byway, specific through the Byway's website and Facebook page. Additional information can be found at [currierandivesbyway.org](http://currierandivesbyway.org).
- Provided assistance to the Warner River Local Advisory Committee to prepare the draft Warner River Corridor Management Plan and conduct public outreach to inform the goals and strategies of the Plan through funding provided by the NH Department of Environmental Services.
- Continued to implement the CNHRPC Regional Brownfields Program through funding from the United States Environmental Protection Agency (EPA). For more information on brownfields and the regional Brownfields Assessment Program please visit [www.cnhrpc.org/cnhrpc-brownfields-program](http://www.cnhrpc.org/cnhrpc-brownfields-program).
- Provided coordination support to the CommuteSmart NH Program that works to support transportation demand management services and rideshare coordination across the state. Working closely with other Regional Planning Commissions and other transportation-oriented organizations, staff hosted a statewide commuter challenge, 11 Coordination Committee meetings, and continued developing the Program's suite of services. A "Bike Back to Work" campaign was created with online information and resources. Additional information on CommuteSmart New Hampshire can be found at [www.commutesmartnh.org](http://www.commutesmartnh.org).
- Participated in the development of a new NH Bicycle and Pedestrian Plan, and provided local expertise about CNHRPC communities and their needs to be incorporated in the plan. This included a list of potential bicycle and pedestrian infrastructure needs in the region.
- Worked with the Friends of the Concord to Lake Sunapee Rail Trail non-profit to implement sections of the rail trail envisioned in the West-Central Trails Plan. Coordinated between trail advocates and municipalities.
- Coordinated the activities of the CNHRPC Transportation Advisory Committee (TAC). In 2020, CNHRPC held five (5) TAC meetings. The CNHRPC TAC participated in the development of the region's Long Range

Transportation Plan, and began the update to the CNHRPC Transportation Improvement Program concurrently with the NHDOT 2023-2032 Ten Year Plan (TYP) Update. The CNHRPC TAC evaluated six regional project proposals as part of the TYP Update process.

- Completed 188 traffic counts in the region as part of its annual Transportation Data Collection Program. Provided geographic information services (GIS) mapping assistance to local communities. In Webster, CNHRPC collected traffic data at seven locations.
- Provided local mapping assistance and analysis as requested and maintained a GIS database for each municipality and the region.

For additional information, please contact the CNHRPC staff or visit us at [www.cnhrpc.org](http://www.cnhrpc.org). CNHRPC Commission meetings are open to the public and interested citizens are encouraged to attend.

## UNH Cooperative Extension Merrimack County 2020

UNH Cooperative Extension serves residents in each of Merrimack County's 27 towns with diverse programming through 4-H, Nutrition Connections, Food & Agriculture, Community & Economic Development, Natural Resources, and Youth & Family Resiliency. Extension is the public outreach arm of the University of New Hampshire, bringing information and education into NH's towns, helping to make individuals, businesses, and communities more successful and keeping NH's natural resources healthy and productive.

### Our Mission

UNH Cooperative Extension strengthens people and communities in New Hampshire by providing trusted knowledge, practical education and cooperative solutions.

### Our Work for Merrimack County

Merrimack County Extension staff brings the research and knowledge of the university to county residents through hands-on workshops, site visits, conferences, phone consultations, printed materials, online resources, a statewide toll-free info line, and through strategic partnerships.

This year, UNH Cooperative Extension trained and supported 452 volunteers in Merrimack County. These volunteers contributed 21,569 hours of their time extending the reach of our programs as 4-H leaders, master gardeners, wildlife coverts, community tree stewards, water quality monitors, marine docents, and others. In addition, 2,287 volunteers completed Covid-19 Safety trainings, used by 198 organizations in New Hampshire.

**Food & Agriculture:** We support the county's agricultural industries, including producers of fruits, vegetables, ornamental plants, and livestock, through workshops and trainings, diagnostic services, applied research, and one-on-one consultations. This year, COVID-19 significantly changed our programming plan as producers were faced with a multitude of uncertainties with the start of the 2020 growing season just getting underway. UNH Extension acted quickly to provide a diverse and robust series of online trainings and resources, guiding producers through the many COVID-related questions that applied to their businesses, from managing crowds at u-pick farms, to shifting marketing strategies aimed at safely putting farm products in the hands of our citizens, to accessing funding streams for disrupted business operations, Extension worked diligently to provide online education to producers in NH and beyond. One example of our efforts can be viewed by visiting: <https://extension.unh.edu/resource/new-hampshire-farm-products-map>. Here you will see the results of a multi-team Extension effort to connect consumers with producers during the pandemic. Starting this spring and concluding in November 2020, Extension hosted regular NH Farmer Forums with service providers of diverse backgrounds in order to quickly and efficiently share the weekly developments in the early stages of the COVID outbreak in NH. Many of the efforts developed as a result of COVID will continue into the future as we have learned their value, even in normal times.

John Porter is semi-retired from UNH Cooperative Extension and serves as a resource statewide in the areas of farmstead layout and facility design. In Merrimack County he has collaborated with Jeremy DeLisle in helping people with designing barns and making farmsteads more efficient. A newer clientele have been those who are buying country places and wanting to set up small, part-time farms.

**Natural Resources:** Managing and protecting New Hampshire's natural resources is critical to our environment, quality of life, and tourism industry, as well as for current and future economic opportunities. Our natural resources team provides research, education, and stewardship throughout the

state with a “boots on the ground” approach, extending state-wide programs in forestry and wildlife, natural resource development, land and water conservation, and marine fisheries. This year, 657 Merrimack County residents received one-on-one education from woodlot visits, telephone calls, and email correspondence.

At least 935 County residents participated in many educational events: emerald ash borer educational workshops, geospatial technology training (GIS), N.H. Maple, N.H. Land Trust Coalition work, Speaking for Wildlife talks, Stewardship Network, Forest Health workshops, and forest management services. This year’s educational offerings were augmented by virtual meetings and webinars to comply the COVID-19 restrictions and these virtual events will continue next year. Volunteers from the N.H. Coverts project and the Natural Resource Stewards program contributed nearly 3,100 hours conserving and managing natural resources in Merrimack County.

**Community and Economic Development (CED):** The CED team provides programming and technical assistance to communities, businesses, and nonprofit organizations around New Hampshire. The CED team’s work focuses on revitalizing main streets, retaining and growing local businesses, supporting entrepreneurs and innovators, improving quality of life, and leveraging tourism and the recreation economy. Central to the CED team’s work is engaging individuals from throughout the community in developing a vision, designing an approach, and moving to action.

The CED team had a busy 2020 in Merrimack County. They played a key role revitalizing a portion of the former Beede Electric Building in Penacook and launching an 8,500 sq. ft. makerspace and shared workspace to increase entrepreneurship and innovation in the region. They worked with Northfield to launch the Foothills Foundation, an organization that plans to make the area a hub for mountain biking and recreation through collaboration, promotion, and trail building. They spearheaded a range of events to increase entrepreneurship and spur business growth, including 1 Million Cups Central NH, Twin State Innovation, the Community Changemaker Challenge, and the Connecting Entrepreneurial Communities Conference.

**4-H/Youth & Family:** 4-H is the youth educational program of the University of New Hampshire and Cooperative Extension. 4-H partners caring adults with youth between the ages of 5-18 who then engage in hands on educational opportunities. These members are involved in project areas based around agri-science, healthy living and civic engagement. Currently Merrimack County has close to 300 adults and youth involved in our County 4-H program and Extension supports and recognizes these volunteers and youth in their efforts and accomplishments.

Members in 4-H take their learned project areas and then participate in County and State communication events, as well as fairs, where they demonstrate what they’ve learned. Members also have opportunities to grow further as they attend regional events where they take on larger leadership roles. 4-H members are also involved in many service learning projects, as we demonstrate, and require youth to give back to their communities. With the support of caring adults and the University, 4-H Youth Development programs provide opportunities to enable youth to develop life skills they need to become caring and contributing citizens. In 4-H, we aim to strengthen, nurture and build confident independent young people. In 4-H we grow true leaders, so that one day they can go forward to positively make a difference in the world around them.

**Nutrition Connections:** Nutrition Connections is a no-cost, hands-on nutrition education program that provides limited-resource families the knowledge and skills they need for better health. Despite the effects of Covid-19, in Merrimack County, 42 adults received nutrition education either in a series or a single session. Nutrition Connections also reached 232 children in local schools and Head Starts and an additional 127 in a local park and rec program. Two school districts received assistance with their school

wellness committees and assistance with updating and implementing their local school wellness policies. Three schools continued implementing changes they learned from the Smarter Lunchroom Movement, a program that is dedicated to providing schools with the knowledge, motivation, and resources needed to build a lunchroom environment that makes healthy food choices the easy choice. Because the senior audience could not be reached during Covid-19, a senior newsletter was created and sent to five senior agencies and senior housing complexes. Nutrition Connections worked with three food pantries by providing resources such as recipes, taste testing, and food demos. All of these programs help participants make healthier food choices.

**Youth & Family Resiliency:** Melissa Lee, Field Specialist and Certified Prevention Specialist provides information, programs and training grounded in research to help young people and their families succeed and thrive, such as Youth Mental Health First Aid Training and community coalition development. Melissa is working collaboratively with schools and public health partners to increase prevention and early intervention for mental health and wellness and substance misuse in communities.

**We would like to take this opportunity to thank the 14 community members from all over Merrimack County who served on our Advisory Council during the past year:**

Larry Ballin, *New London*

## **Franklin VNA & Hospice Annual Report 2020**

Greetings to all community members and thank you for your continued support.

Franklin VNA & Hospice was established as a Certified Non-profit Home Health Care agency to serve the residents of the City of Franklin and surrounding towns. Since that time, we have expanded our service area and added a Certified Hospice Program. As we embark on the 76th year of service, we do so with continued dedication to our community and our goal of providing quality care and education to those we serve.

Our most recent statistics show that the staff of Franklin VNA and Hospice provided 51 encounters for the residents of Webster for year ending July 31, 2020. These encounters include home health and hospice visits by skilled nurses and therapists, social work, spiritual care, licensed nursing assistants, homemaking, adult in-home care providers, as well as blood pressure and flu clinics for residents.

2020 was a busy year for Franklin VNA and Hospice. We worked to increase our community outreach by partnering with area organizations, providing educational programs, participating in community events, in addition to providing our professional and supportive services. We continue to offer Hospice volunteer training and bereavement support groups, as well as drop-in grief support.

Medicare continues to be our largest revenue source, comprising about 75% of our business. This is telling of our community demographic which guides us as we strive to provide for the health care needs of our community. Commercial insurance rates do not cover the cost of providing services despite our efforts to work as efficiently as possible.

As we look to 2021, there are several more regulatory requirements which will be imposed upon the Home Care industry. We will experience another reduction in our Medicare reimbursement, which means that we must work to be as efficient and effective as possible in caring for our patients without sacrificing the quality of care we deliver. Franklin VNA and Hospice is fortunate to have a professional and compassionate team of clinical staff to care for our patients as well as an experienced office-based staff who ensure that the tools are there for our agency to perform well.

Our Hospice Program has steadily increased its census in the past year. Our collaboration with Mountain Ridge and Merrimack County Nursing Home continues to be very positive for our patients and staff. We have also entered into an agreement with ProCare Rx, a pharmaceutical consulting company, which has been very beneficial in negotiating pricing that meets our needs for patient medications and provides us with many services such as a 24-hour Pharmacist consultative and on demand agency initiated clinical education.

We remain ***your community*** VNA offering home health care, hospice care, skilled nursing, physical, occupational and speech therapies, medical social services, personal care and homemaking services. Thank you for supporting us through town funds, as Board members, volunteers, financial donors, and of course, through receiving services from Franklin VNA & Hospice. We are here for you! Please contact us if you need our assistance. Let your voice be heard! Say, “I choose Franklin VNA & Hospice”.

Respectfully submitted,

Krystin Albert  
CEO

## **2020 WEBSTER YOUTH SOCCER WRAP UP**

Like most things, soccer had some big changes and challenges this fall. Watching the news, reading recommendations, following what was happening with schools and other towns it was eventually decided to keep soccer in town. We combined K - 2nd grade and 3rd - 5th grade. Each group met for 5 weeks to work on skills, drills and play soccer skill-based games. "Sharks and Minnows" was a big favorite with all the kids! Nearly 20 families were involved with the program. When the kids were asked each week if they had any fun there were many screams of "YES!" We even had a "I had fun 100!" "Well I had fun "200!". Of course, we were all disappointed not to have games with Penacook, Boscawen, and Salisbury, but we were glad to get the kids outside, off screens, and doing something as normal as we could.

Instead of officiating this year, Monica Barger, Samantha Bruillard, and Ryker Kimball continued to give back to WYS by helping out with the younger children. We are very thankful for their continued support!

We are always thankful for the town's continued support and the commitment to care for our children and their families. Lasting and good memories are made each fall on a simple field playing a great game.

As I step down as my role as President, I would also be amiss if we did not let the families of Webster know that there are open seats on the WYS board for the 2021 season. Commitment levels are lower than you think, the board is committed to working together, and spreading the responsibilities around. Many hands make light work for all of us. If you are interested in helping WYS continue to have a positive influence on the children of Webster we urge you to consider serving on the board or volunteering as needed. Please contact us: [websteryouthsoccernh@gmail.com](mailto:websteryouthsoccernh@gmail.com) for more information and answers to your questions.

It's been a pleasure serving,

Chad Fleming  
WYS President

## REPORT OF THE WARNER RIVER LOCAL ADVISORY COMMITTEE - WEBSTER

The Warner River Local Advisory Committee (we are “WRLAC”) is pleased to report on the progress we made during Calendar Year 2020. We have statutory authority to advise state and local governments on federal, state, and local permit applications and other environmental issues within the Designated Warner River Corridor, which is  $\frac{1}{2}$ -mile wide ( $\frac{1}{4}$  mile as measured outward from each river bank) as the river flows through our five riverfront towns. Webster’s share of the Warner River extends from the Warner town line at Davisville to the Hopkinton town line (a nice, short  $\frac{3}{4}$  river-mile with no bridges).

Calendar 2020 was a pretty quiet time on the Webster reach of our river, which is mostly calm and out-of-sight, west of Dustin Road. There were no Webster permit applications that required our attention during 2020 save one: a statutory permit-by-notice application from Eversource for vegetation management along their 317 Distribution Line right-of-way. There was much more activity in some of your neighboring river towns.

Last year, we reported that we began preparing our Corridor Management Plan (one of our statutory mandates), with the assistance of the Central New Hampshire Regional Planning Commission and financial backing from DES. As of this writing, the Corridor Management Plan is working its way through the final touch ups and approvals from DES, after being delayed somewhat by the Covid-19 emergency. We expect that the Plan will be completely finished during spring 2021. We have started introducing ourselves to the Conservation Commission and the Planning Board; we will need their support as we work towards having the Corridor Management Plan approved and incorporated into Webster’s Master Plan during 2021.

We have a website now ([www.wrlac.com](http://www.wrlac.com)), courtesy of contributions of time and money from our WRLAC representatives. It’s a work in progress, but it looks good (GO SEE!). As we become more established, we expect to have additional ecological and river-related content of interest to our Webster neighbors, regardless of where you live in town.

Field work for a DES-funded Instream Flow Study of the Warner River began during fall 2020. This Study will evaluate the historical river flows and existing habitats in the river in order to determine the critical flows necessary to sustain fish survival and human use. These data will be combined into an Instream Flow Water Management Plan for the Warner River, which will be a road map of how to ensure there is an adequate flow of water to preserve a healthy river ecosystem as balanced with human water needs.

One other important aspect of our Warner River duties is to provide basic water-quality monitoring at several points along the Warner River and selected tributaries during the warm months of the year. This program began in 2017 under the auspices of DES’s Volunteer River Assessment Program. While the pH is usually a little low due to our New Hampshire bedrock,

the other water-quality parameters indicate that the Warner River is healthy and continues to have high-quality water. Our monitoring has not detected any water-quality concerns.

Two of your neighbors have volunteered to represent Webster on the WRLAC: Susan Roman and Dan Moran. My thanks to them for their selfless donation of time and effort in helping to preserve the high quality of the Warner River. Please reach out to them (or me!) with any Warner River concerns. Come out and enjoy the Warner River!

Respectfully submitted,  
Ken Milender, Chair  
*WARNER RIVER LOCAL ADVISORY COMMITTEE*

## ELEMENTARY SCHOOL

Much like the rest of the world, 2020 was a crazy, unprecedented year for Webster Elementary School! Prior to moving to a remote model of instruction in March of 2020, WES had much to celebrate and share:

- After school activities were up and running, including:
  - Book Club, Chorus, Painting Club, Scrabble Club, STEM Club, Team Building Club and Yoga Club
- The ***Great Kindness Challenge*** kicked off in January, with Kindness activities taking place every day
- 5th graders were participating in district wide ***Mix and Meet*** days, taking field trips to different elementary schools to meet other 5th graders getting ready for Middle School
- ***I Love To Read Week*** was celebrated in February with:
  - A visit from one of our favorite authors, Marty Kelly
  - WES's 1st Annual ***Family Fun Night and Book Fair***
- Our annual ***Celebration of the Arts Night*** was a huge success, with students sharing both their amazing artwork and their beautiful singing voices with a concert at the Town Hall

With the Coronavirus on the rise in March, the MVSD pivoted to a remote model of instruction in late March, which continued through the end of the school year in June. During the remote learning period from March through June, both students and staff honed new technology skills, enabling us all to stay connected and continue our learning.

The MVSD opened the 2020-2021 school year with an option for families to participate in either a Hybrid Model of Instruction or Remote Model of Instruction. WES was happy to welcome a majority of our students back to WES for in-person instruction two days a week, with distance learning happening two days a week and with a Remote Monday. While the Pandemic has mandated several changes within the school to ensure safety for our students and staff, the school year has been successful. Webster Elementary School is appreciative of the patience and understanding of our families and community as we continue to learn and grow in

our current instructional models. We look forward to the return of our students full time as soon as safely possible!

**MINUTES OF THE 2020 TOWN MEETING FOR THE TOWN OF WEBSTER  
THE STATE OF NEW HAMPSHIRE  
SATURDAY, MARCH 14, 2020**

*Moderator Mike Jette called the meeting to order at 10:02am in the Webster Town Hall.*

*He invited David Hemenway to lead everyone in the Pledge of Allegiance.*

*Moderator Jette asked all service members to stand and be recognized. He then asked volunteers to the town and/or those serving on a committee to stand and be recognized.*

*The Town Report was dedicated to Normandie “Dee” Blake and the Moderator invited her to stand and be recognized. Moderator Jette announced Webster’s two State Representatives and our State Senator; the Webster Fire Department was available to issue fire permits and the First Congregational Church of Webster had snacks available.*

*Select Board Chair Christine Schadler explained Select Board Member Bianca Acebron Peco was not present because she was recently a new mom and did not want to risk her health or the health of the new baby due to the Corona virus. Select Board Chair Schadler also introduced Normandie Blake as the third Select Board Member who filled in after Select Board Member Schofield’s resignation. Town Administrator, Leslie Palmer and Town Clerk, Michele Derby were introduced.*

*Select Board Chair Christine Schadler mentioned that Select Board Member Acebron Peco’s new baby was the first child born to a Select Board Member while in office. She drew attention to pages 14 – 20 in the Annual Town Report. She explained it is a narrative written by Leslie Palmer of the budget. Select Board Chair Schadler said each of the warrant articles are voted by each Board Member in the affirmative or negative. The Select Board did not have enough information to support the petitioned warrant article 15 at the time the warrant was posted. They did receive the requested financial information and Select Board Chair Schadler announced the Board unanimously changed their vote to the affirmative for warrant article 15. She went on to present a slide presentation including completed projects in 2019 (storage cabinets, video live-stream recording of Select Board meetings, Personnel Policy revisions, well filtration system, Accufund Accounting system, paving to Deer Meadow Road, new generator for the Town Hall, Workplace Violence & IT Security training, pilot agreement with Hopkinton Solar LLC at the Hopkinton/Webster Transfer Station.) Ongoing projects include the Clothespin Bridge Replacement scheduled for 2022/2023, White Plains Road bridge by Knights Meadow Marsh where a temporary “fix” was implemented using metal plates until its replacement in the Spring. The Salt Shed Committee continues its efforts in relocating the salt shed. ADA access, concrete pad replacement and roof repair to the Public Safety Building. Town Hall maintenance projects include painting and repair to the cupula and gutter work. IT upgrades also continue.*

*Moderator Jette addressed the rules of order for the meeting; which were found on page 8 of the Town Report.*

**Motion to allow Town employees, staff and others to speak**

*Moderator Jette called for a motion to allow Town employees, staff and others to speak if needed. Moved and seconded.*

*Moderator called for a voice vote to allow Town employees, staff and others to speak.*

**PASSED BY VOICE VOTE.**

*Moderator Jette announced the appointment of David Richardson as Assistant Moderator for this meeting. He invited voters wanting to speak to use the microphone at the front of the room. Note, due to the Coronavirus, the two microphones were wiped down with disinfectant between speakers. He urged voters to be efficient and not repeat the same thing other voters have already said.*

*The Moderator addressed Article 1, the official ballot portion of Town Meeting by reading the results of the Town Election held on Tuesday, March 10, 2020.*

**Article 1: To choose all necessary Town Officers for the ensuing year. (BY BALLOT) – 248 ballots cast**

OFFICE	TERM	NAME	# OF VOTES
Selectman	3 yrs	David Hemenway	191
		Ben Nadeau	54
Moderator	2 yrs	Mike Jette	214
Town Clerk	3 yrs	Michele Derby	232
Treasurer	3 yrs	Bruce Johnson	203
Tax Collector	3 yrs	Karen King	233
Supervisor of the Checklist	2 yrs	Nancy Webster	225
Supervisor of the Checklist	6 yrs	Sarah Chalsma	223
Cemetery Trustee	3 yrs	Brenda Silver	224
Library Trustee	3 yrs	Nancy Picthall-French	223
Trustee of Trust Funds	3 yrs	Normandie Blake (by write-in)	65

**Article 2:** *The Moderator read the Article in its entirety, To see if the Town will vote to raise and appropriate the sum of \$1,559,468 for general municipal operations. This article does not include appropriations contained in special or individual articles addressed separately. (Majority vote required) **The Select Board recommends – 3 to 0***

*The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Blake.*

*The Moderator opened the article for discussion with Select Board Chair Schadler asking for any questions.*

#### Motion to Amend Article 2

*Kim Fortune made a motion to amend Article 2 by \$500 and take from the contribution to the Penacook Community Center. Seconded by Alisa Vasquez.*

*Kim Fortune asked why the Town gives to the Penacook Community Center. Select Board Chair Schadler stated page 17 of the Town Report provided examples of the programs offered through the center and the \$500 cost is “a deal”. David Richardson spoke to the youth programs offered to Webster kids through the center and the \$500 donation is “cheap” and the cost to have a Webster Community Center would be far greater.*

*George Cummings made a motion to move the amendment. Seconded by Renee Doucette.*

*Moderator called for a voice vote to amend Article 2 to reduce by \$500 to come from the Penacook Community Center line.*

**AMENDED ARTICLE FAILED BY VOICE VOTE.**

*Moderator asked for other discussion to Article 2. There being none, he reread the Article and called for a voice vote.*

**PASSED BY VOICE VOTE.**

**Article 3:** *The Moderator read the Article in its entirety,* To see if the Town will vote to raise and appropriate the sum of **\$330,500** to be added to the following established Capital Reserve Funds under RSA 35:1.  
(Majority vote required)

Fire Department – Air Packs	20,000
Bridge/Culvert Improvements	75,000
Fire Department – Dry Hydrant Repairs	2,000
Reappraisal	5,000
Town Hall Improvements	5,000
Office Equipment	5,000
Police Cruiser	17,000
Emergency Apparatus	50,000
Fire Department – Bunker Gear	2,500
Public Safety Building	5,000
Webster/Hopkinton Transfer Station	4,000
Police Equipment	1,500
Highway Equipment	7,500
Medical Equipment	6,000
Highways and Roads	125,000

**The Select Board recommends – 3 to 0**

*The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Blake.*

*The Moderator opened the article for discussion. Select Board Chair Schadler stated the article is identical to last year except for Town Hall Improvements was up from last years \$2,500 and the Police Cruiser has increased by \$2,000.*

*There being no discussion, the Moderator reread the Article and called for a voice vote.*

**PASSED BY VOICE VOTE.**

**Article 4:** *The Moderator read the Article in its entirety,* To see if the Town will vote to raise and appropriate **\$225,500** to be added to the following established previously Expendable Trust Funds per RSA 31:19-a.  
(Majority vote required)

Forest Fire	2,000
Legal (Webster)	6,000
Highway	5,000

Fire Department Equipment	5,000
Compensated Absences	2,500
Road Preservation	200,000
Municipal Property Maintenance	5,000

**The Select Board recommends – 3 to 0**

*The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Blake.*

*Select Board Chair Schadler said the amounts are the same as last year with the exception of the Legal line. The amount is \$2,000 less than 2019.*

*There was no discussion and the Moderator called for a voice vote after rereading the article.*

**PASSED BY VOICE VOTE.**

Article 5: *The Moderator read the Article in its entirety,* To see if the Town will vote to establish a contingency fund for the current year under the provisions of RSA 31:98-a for unanticipated expenses that may arise and further to raise and appropriate the sum of **\$15,590** to put into the fund. This sum to come from the Unassigned Fund Balance and no amount will be raised by taxation. Any appropriation left in the fund at the end of the year will lapse to the General Fund. This is an Individual Warrant Article (Majority vote required) **The Select Board recommends – 3 to 0**

*The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Blake.*

*Select Board Blake explained the money is for unanticipated expenses and if it is not used, it goes back into the General Fund. Town Administrator Leslie Palmer said the fund is 1% of the operating budget and allows the Town to use the money, if needed, without further approval by the Department of Revenue.*

*The Moderator asked for further questions. There being none, the Moderator reread the article and called for a voice vote.*

**PASSED BY VOICE VOTE.**

Article 6: *The Moderator read the Article in its entirety,* To see if the Town will vote to raise and appropriate the sum of **\$41,500** for the purchase of a 2020 Police Cruiser and related equipment, with **\$39,500** to come from the Police Cruiser Capital Reserve Fund created for that purpose and **\$2,000** to come from the trade-in/sale of the Police Department 2014 Police Cruiser. No funds will be raised through taxation. This is a Special Warrant Article. (Majority vote required) **The Select Board recommends – 3 to 0**

*The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Blake.*

*Police Chief Adams explained the current 2014 cruiser has 94,599 miles with 4,369 hours of idle time, which according to Ford's estimate of 32 miles for every idle hour, equates to 139,808 miles. He mentioned the cruiser had been in an accident with a tractor trailer shortly after it was purchased. Generally, the equipment in the old cruiser would be reused in the new cruiser but due to the changes Ford has made half of the equipment will not fit the new cruiser.*

*There were no questions and the Moderator reread the article and called for a voice vote.*

**PASSED BY VOICE VOTE.**

**Restrict Reconsideration of Articles 2, 3, 4, 5 and 6**

*Dan Nudd made a motion to restrict reconsideration on Articles 2, 3, 4, 5 and 6; seconded by Renee Doucette.*

*The Moderator called for a voice vote to restrict reconsideration on Articles 2, 3, 4, 5 and 6.*

**PASSED BY VOICE VOTE.**

**Article 7:** *The Moderator read the Article in its entirety, To see if the Town will vote to raise and appropriate the sum of \$15,000 for the purchase of commercial laundry equipment for the Fire Department. (Majority vote required) The Select Board recommends – 3 to 0*

*The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Blake.*

*Select Board Chair Schadler explained this article was a special project worked on by Select Board Member Acebron Peco. She stated the current washer and drier at the Webster Fire Department are unequipped to handle the gear. Fire Department members are exposed to various chemicals and contaminants when responding to a fire and the gear needs to be properly cleaned. A household washer and dryer are inadequate and commercial equipment is more appropriate. Select Board Member Acebron Peco had explored a grant for the washer and dryer but the grant round never opened. Fire Chief Bean spoke in support of this article.*

*The Moderator reread the Article and called for a voice vote.*

**PASSED BY VOICE VOTE.**

**Article 8:** *The Moderator read the Article in its entirety, To see if the Town will vote to establish an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Technology Fund, for the purpose of purchasing and maintaining computer equipment, software and technology infrastructure and to appoint the Select Board as agents to expend from this fund for said purposes and to raise and appropriate the sum of \$15,000 to be placed in this fund. This is a Special Warrant Article. (Majority vote required) The Select Board recommends – 3 to 0*

*The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Blake.*

*Town Administrator Palmer directed us to page 19 of the Town Report listing upcoming technology projects.*

*The Moderator asked for more discussion. With no more questions, he called for a vote.*

**PASSED BY VOICE VOTE.**

**Article 9:** *The Moderator read the Article in its entirety, To see if the Town will vote to raise and appropriate the sum of \$10,000 to help offset the cost of the bond for “Funds to Repair Dam” passed at the Pillsbury Lake Water District Special Meeting held August 5, 2006. (Majority vote required) The Select Board recommends – 3 to 0*

*The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Blake.*

*Select Board Member Blake explained the money is the Town's share of helping to pay off the bond needed to rebuild the Pillsbury Lake dam.*

*There was no discussion.*

*The Moderator reread the Article and called for a voice vote.*

**PASSED BY VOICE VOTE.**

Article 10: *The Moderator read the Article in its entirety,* To see if the Town will vote to establish a Fire Department Mobile Communication Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing mobile communication devices for the Fire Department and to appoint the Select Board as agents to expend for said purposes and to raise and appropriate the sum of **\$10,000** to be placed in this fund. This is a Special Warrant Article. (Majority vote required) **The Select Board recommends – 3 to 0**

*The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Blake.*

*Fire Chief Bean explained the Town voted \$65,000 the past two years to replace the Fire Department radios. The new account would spread the cost for future radios out rather than a large lump sum. He also explained the broader wording of the fund name was to accommodate future technology jargon instead of specifically for radios.*

*The Moderator reread the Article and called for a voice vote.*

**PASSED BY VOICE VOTE.**

#### Restrict Reconsideration of Articles 7, 8, 9 and 10

*David Hemenway made a motion to restrict reconsideration on Articles 7, 8, 9 and 10; seconded by Renee Doucette.*

*The Moderator called for a voice vote to restrict reconsideration on Articles 7, 8, 9 and 10.*

**PASSED BY VOICE VOTE.**

Article 11: *The Moderator read the Article in its entirety,* To see if the Town will vote to amend Article 12 enacted on March 5, 1974, which established a Town Conservation Commission consisting of five (5) members to permit the appointment of up to seven (7) members and up to seven (7) alternate members, in accordance with RSA 36-A. (Majority vote required)

*The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Blake.*

*Select Board Chair Schadler explained the article will allow more members appointed to the Conservation Commission to spread the work load out with no taxpayers' money being spent. It was asked why there was no recommendation by the Select Board and answered because it is a non-monetary article.*

*There being no further discussion, the Moderator called for a voice vote.*

**PASSED BY VOICE VOTE.**

Article 12: *The Moderator read the Article in its entirety,* To see if the Town will vote to discontinue the Land Trust Fund created in 1996. Said funds, with accumulated interest to date of withdrawal, are to be

transferred to the municipality's general fund. This article is contingent upon the passage of Article 13. (Majority vote required) **The Select Board recommends – 3 to 0**

*The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Blake.*

*The Moderator read Article 13 for clarification of Article 12.*

*Select Board Chair Schadler explained the article is to discontinue using the Land Trust Fund and transfer the \$20,759 in the fund to the General Fund. Then Article 13 is asking to move the same money from the General Fund to a new Conservation Fund. NH DRA would not allow the article to be written to simply move the Land Trust Fund to the Conservation Fund. Article 13 is dependent on the passing of Article 12.*

*Charles Petruccelli asked what the money in the Land Use Trust be used for. Select Board Chair Schadler answered it is for conservation purposes such as financial assistance with survey costs to a landowner wishing to put their land into conservation. Mary Jo Mac Gowan explained the purpose is to change the RSA the Land Use Trust fund was established under to one the Conservation Commissions are controlled under.*

*The Moderator called for a voice vote.*

**PASSED BY VOICE VOTE.**

Article 13: *The Moderator read the Article in its entirety,* To see if the Town will vote to establish a Conservation Fund in accordance with RSA 36-A:5 and further raise and appropriate \$20,759 to be placed in the fund. This sum to come from the unassigned fund balance. This article is contingent upon the passage of Article 12. (Majority Vote Required) **The Select Board recommends – 3 to 0**

*The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Blake.*

*The Moderator called for a voice vote of Article 13 as read.*

**PASSED BY VOICE VOTE.**

Article 14: *The Moderator read the Article in its entirety,* To see if the Town will vote to modify the amount of the Land Use Change Tax revenue to be deposited on an annual basis in the Conservation Fund established under Article 13 from a maximum amount of \$3,000 to 100% of such revenue up to \$5,000, plus 50% of such amount in excess of \$5,000. This article is contingent upon the passage of Article 12 and Article 13. (Majority vote required) **The Select Board recommends – 3 to 0**

*The Moderator noted it was moved by Select Board Chair Schadler and seconded by Select Board Member Blake.*

*Select Board Chair Schadler explained the Land Use Change Tax (LUCT) is to provide monies for the use of Conservation Commission. When land is taken out of Current Use to be developed it is taxed at 10% of its full-market value. The concept of LUCT is to preserve open space and to keep land in Current Use for conservation. Select Board Chair Schadler showed a chart of towns and the percentage of LUCT provided to their Conservation Commissions. The chart showed most towns gave 100% of the LUCT to their Conservation Commissions. She presented a ten-year chart of LUCT collected in Webster with a total of \$80,000 of that the Conservation Commission received \$24,000.*

*Tom McWilliams made a motion to amend Article 14 to give the Conservation Fund 100% of any Land Use Change Tax revenue. Seconded by Susan Youngs.*

*The Moderator called for discussion to the amendment.*

*Sue McGinnis asked how this impacts the budget already voted on and did the general budget consider making this change. The Moderator clarified any revenue received from any Land Use Change Tax would not impact the tax rate and would go into the Conservation Fund. Town Administrator Palmer mentioned the Town is “in good fiscal shape” in the Unassigned Fund Balance; which is used to reduce the tax rate.*

*Craig Fournier stated LUCT is only generated when land is taken out of Current Use for development and is not a dependable source of revenue from year to year. Further discussion in support of the amendment.*

*George Cummings moved the amendment.*

*The Moderator reread the motion to amend Article 14 as: To see if the Town will vote to modify the amount of the Land Use Change Tax revenue to be deposited on an annual basis in the Conservation Fund established under Article 13 to 100% of the funds received through the Land Use Change Tax. and called for a voice vote.*

**AMENDMENT PASSED BY VOICE VOTE.**

*The Moderator reread the amended Article 14 and called for a vote.*

**AMENDED ARTICLE PASSED BY VOICE VOTE.**

**Restrict Reconsideration of Articles 11, 12, 13 and 14.**

*Dan Nudd made a motion to restrict reconsideration on Articles 11, 12, 13 and 14; seconded by Renee Doucette.*

*The Moderator called for a voice vote to restrict reconsideration on Articles 11, 12, 13 and 14.*

**PASSED BY VOICE VOTE.**

**Article 15:** *The Moderator read the Article in its entirety, To see if the Town will vote to raise and appropriate the sum of \$15,000 for the purpose of windows restoration of all windows at the Old Meeting House. This would represent matching funds from the Webster Historical Society and allow the work to proceed this year. This is a Special Warrant Article. (Submitted by Petition) The Select Board recommends – 0 to 3*

*The Moderator reiterated the Select Board originally did not recommend the article. They have since received the information they had asked for and now recommend it by a vote of 3 to 0.*

*It was moved by Mark Kimball and seconded.*

*Mark Kimball spoke on behalf of the Webster Historical Society in support of the article and preserving the historical building. He mentioned the handout provided by the Webster Historical Society. He said they are working with architectural historians to complete the window project properly. John Clark and Emmett Bean spoke in the support of the article and the importance of preserving our history.*

*The Moderator called for a voice vote.*

**PASSED BY VOICE VOTE.**

**Article 16:** *The Moderator read the Article in its entirety, To transact any other business that may legally come before this meeting*

*Kim Fortune asked to amend Article 9 to read: To accept only if any and all rights associated with said resource are wholly authorized to act in such capacity with no liens whatsoever.*

*The Moderator clarified the article had been voted to constrict reconsideration and the motion was not accepted.*

*Kim Fortune explained a current NH State law from 1871 stating “Concord for its inhabitants and for such purposes from time to time hereafter may take and appropriate any lands, water and other rights that may be deemed necessary and proper for such enlargement or improvements in the same manner and in the same terms provided for taking and appropriating land and other rights in the act aforesaid. This all pertains and has been authorized to include the town of Boscawen and Webster in the county of Merrimack.” She added Boscawen repealed their rights in 1794. Concord has a lien on any and all water and land in Webster. The remedy is for the Selectmen to petition the Superior Court of Merrimack County. She wanted the voters to know this is still active and concerned Concord could take Webster’s land and water.*

*Select Board Chair Schadler stated she is in contact with a NH Senator regarding Kim’s statements.*

*Sally Embley recognized all past Roadside Cleanup volunteers and provided the date of April 18 for this year’s date and noted it was the 50<sup>th</sup> anniversary of Earth Day.*

*Tom McWilliams reminded people to complete their 2020 US Census. He thanked Road Agent Emmet Bean and his crew for Webster’s amazing roads. Having traveled all over the state of the Census work we should be proud of the condition of our roads.*

*Mark Kimball made a motion to adjourn and it was seconded.*

*The Moderator adjourned the meeting at 11:44 am.*

*Respectfully Submitted,*

  
Michele Derby  
Town Clerk

## PILLSBURY LAKE DISTRICT ANNUAL MEETING – March 11, 2020

Moderator Alison Scott opened the meeting at 6:00 pm. Moderator Alison Scott welcomed all the PLVD residents and set some ground rules. Moderator Alison Scott asked those who speak to give your name and address and speak loudly so everyone can hear. The Moderator shared that this year there are hand held microphones. Please wait to speak until the microphone is given to you. The Moderator asked the Pillsbury Lake Village District board to introduce themselves: Jamie Dow, Treasurer, Marcia Pawlowski, Clerk, Joe Pawlowski, Commissioner, Ray Scott, Commissioner and Ali Vasquez, Commissioner.

The Moderator read: To the inhabitants of Pillsbury Lake District, Town of Webster, Merrimack County, State of New Hampshire, who are qualified to vote on District affairs, you are hereby notified that the Annual District Meeting will be held on Wednesday, the 11 day of March 2020, at 6:00 p.m. at the Webster Town Hall, 945 Battle St., Webster, N.H.

Voting on Article's 1 and 2 will be conducted by ballot. The polls will open at 6:00 p.m. and close no earlier than 7:30 p.m. The Moderator shared that voting on Article's 1 and 2 shall be conducted by ballot. The polls will open for an hour for each Article.

The Moderator read Article 1. To vote for the following District offices: Commissioner for a term of three years; Moderator for a term of one year; Clerk for a term of one year; and Treasurer for a term of one year.

Do we have any nominations from the floor: There were no nominations.

A motion was made by MJ Turcotte to allow those running for Office to introduce themselves and share why you are running for the position. Motioned seconded and unanimously approved. Each candidate on the ballot stood, introduced themselves and shared why they were running for the position.

The Moderator made a motion to move Article 1. Motion seconded and the Moderator shared that the green box is now available for you to place your vote and the voting will remain open for an hour.

The Moderator read Article 2. To see if the District will vote to raise and appropriate the sum of \$500,000 for Engineering, Architectural Work and Installation of a New Well, Pump House and other necessary Infrastructure, and to authorize the issuance of not more than \$500,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33), and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon as well as apply for, obtain and accept Federal, State Grants or other forms of aid and assistance which may be available for said project. All principal and interest payments for this debt will be paid by Water Customers only. Commissioners Recommend. 2/3 ballot vote required.

The Moderator introduced two guests from DES. Shelly Frost DWGB Small PWS Sanitary Survey Manager and Technical Systems, and Abigail Fopiano, DES, P.G. Water Well Program Manager. The Moderator made a motion that we allow the two guests from DES to speak and share their expertise. Motion seconded and all in favor say Aye all opposed say no.

The Aye's in favor of the motion. Motion passed.

Commissioner Scott shared that we are asking for \$500,00.00 bond and this would be approximately \$46.00 a month for each water user household. Commissioner Scott shared that we are working with an Engineering Firm. Commissioner Scott shared that he received verbal confirmation today that the grant we applied for (\$40,000.00 for the study) that we received a grant for \$20,000.00. This still has to go through the committee. The way this will work is \$20,000.00 from the grant, \$10,000.00 from the board and in-kind work by the board and volunteers and \$10,000.00 in cash. We are working to put together a short-term, mid-term and long-term plan. The long-term plan will be out past ten years so that we will not be where we are today. There is a lot of work to be done. We will need to take an inventory of everything. If it is not completed in a year, we can apply for this same grant again. What we are creating is a business plan for the District. It will be a living document that may change with time, but we will have a plan in place.

Moderator opened for discussion.

There were many questions regarding who will be paying on the bond and it was responded to that the water users will be paying the bond. A question was asked regarding the fines on the infractions and who would be responsible. It was responded that all District residents would be responsible for the fines because that is how the law states. During the discussion it was shared that 206 residents in the District have wells and there are 80 on the water system. It was also shared that the full \$500,000 would not be borrowed at one time, and that with grants and loan forgiveness the monthly cost per household could be less. There is a fine of \$4000.00 per infraction, however we are hoping that the bond will pass to avoid these.

The Moderator made a motion that David Hemenway, a newly elected Selectman would be allowed to speak. Motion seconded and all in favor say Aye all opposed say no.

The Aye's in favor of the motion. Motion passed.

David Hemenway had two questions and one was to DES. How often do the fines possibly get imposed? If they get fined could they get fined again and would it be the same offenses or new offenses.

Shelly Frost, from DES shared that the fines would be for the current infractions and if more infractions would be created then there would be additional fines.

David Hemenway said that if the current infractions fines were paid, could not be fined again in a year or five years.

Shelly Frost commented that PLVD would be working on that infraction so that would not happen.

David Hemenway directed his second question to the PLVD Board. With the \$500,000.00 bond requested you mentioned that you do not have a current plan in place and that is understandable. Is this for the pump house, well and infrastructure but you do not have a total. Do you have any rough estimate as to how much could be for the well and pump house versus actual infrastructure?

Commissioner Scott responded that it is way too early to come up with a price. If we get a good clean sand and gravel well, we may not need a pump house. If there is arsenic or something else that would require the filtration system, we will need the pump house. At the present we are not spending your money and awaiting the grant to be approved to get the engineering study. Without the engineering study we cannot get other grants and that is why we are on hold.

Dave Klumb asked if this bond does not pass, what are the consequences?

Shelly Frost responded that they would implement the fines from the violations. It is a process that would take some time and would be sent to Administrative Department to proceed.

Georgette Bachelder asked if we vote for the bond would that hold the violations back.

Shelly Frost responded yes.

Robert Porter asked that at one of the Emergency Meetings it was shared that there were several lots that would not meet the regulations to put in wells. Now it appears that with 30 plus wells being installed that for some reason they were told they could install the wells. There appears to be an incentive that if you get off the water system, you do not have to pay that only water users pay for improvements generated with the bond.

Abigail Fopiano shared that there was some confusion on DES as to who could drill wells and what the community could do. It has since been discovered with the Subsurface Systems Bureau that your lots were established and on record before rules were in place essentially and since the December meeting there has been more discussion. So, because of that there is more leniency to be able to put a well on properties. There are still some limitations on some lots and you need to look into it and follow the protocols that have been laid out.

Rhonda Lara shared concern that there are several who could not attend. Why is there not an absentee ballot allowed?

The Moderator shared that because the Warrants could change there cannot be absentee votes and that it is a state regulation.

Tom McWilliams shared that he is not going to request the bond be amended so that all within the District pay for the bond. What I am going to ask is that as a water user you support us as your neighbors and that you vote for the bond so that we can continue to have our water and that as a community we do not get fined by the state of New Hampshire.

After some discussion the Moderator made a motion to move Article 2. Motioned seconded and it was shared that the blue box is now available for you to place your vote and the voting will remain open for an hour.

The Moderator read Article 3. To see if the District will vote to raise and appropriate \$174,910 for the following purposes:

Commissioners Stipends	\$3,000
Clerk Stipend	\$1,000
Treasurer Stipend	\$5,000
Moderator Stipend	\$50
Auditor	\$10,000
Legal Fees	\$50
Building Maintenance	\$500
Property Maintenance-plowing	\$3,000
Insurance	\$5,100
Office Expenses	\$4,500
Water Distribution & Treatment Electricity	\$21,000
Gas	\$1,600
Licensed Operator Service	\$18,000
Permit to Operate	\$400
Telephone	\$1,400
Water Meter Software	\$3,500
Water Service Alarm Monitoring System	\$1,000
System Maintenance	\$90,000
Water Testing	\$3,500
Parks and Recreation	\$500
Property Maintenance-mowing	\$1,800
Tax Anticipation Interest	\$10
Total Article 3	<b><u>\$174,910</u></b>

The Moderator opened the floor for discussion.

Georgette Bachelder questioned why there was no money in the budget for deweeding.

Commissioner Scott shared that we still have half the money in the account for deweeding and the plan is to go forward as last year. They will look to see how effective the work was and if need be, they would even work with us. In lieu of the other expenses, we decided as a Board not to add any monies since we have \$10,000.00.

Rhonda Lara requested to table the budget until the elections are decided, because the new board might have different ideas for the budget.

The Moderator shared that it is the responsibility of the current board to prepare the budget for the Annual Meeting.

Commissioner Vasquez shared that these budget lines were prepared looking at last year's budget and the board made adjustments as needed and many of the items were kept in line from last year.

Commissioner Scott shared that two of the Commissioners will remain on the board. There will be one new Commissioner. Commissioner Scott then also shared that the Treasurer does not have a vote.

It was then shared that there is a second on the floor to table the budget.

With further discussion it was shared that if the budget gets tabled the electric bill cannot be paid to run the water system. If the budget is not passed, we will not have a budget until next year and nothing will be paid without a budget.

After further discussion, Bianca Acebron Peco moved to end discussion on tabling the budget. Motion seconded and the Moderator said all in favor say Aye all opposed say no.

The Aye's in favor of the motion. Motion passed to not table the budget.

The Moderator made a motion to move Article 3. Motion seconded and all in favor say Aye, all opposed say no.

The Aye's in favor of the motion. Article 3 passed.

The Moderator read Article 4. To see if the District will vote to raise and appropriate the sum of \$26,819 for the Dam Repair Bond payment for 2020. It is anticipated that \$10,000 will come from the Town of Webster. Should the town's article not pass, the entire amount will come from taxation. This article is non-lapsing until 12/31/2021. Commissioners Recommend.

Moderator opened for discussion.

Commissioner Scott asked the PLVD residents to show up on Saturday at the Town Meeting to vote for this to pass.

The Moderator asked for a motion to move Article 4. Motion made by Dave Klumb. Motion seconded and all in favor say Aye, all opposed say no.

The Aye's in favor of the motion. Article 4 passed.

Article 5. To see if the District will vote to raise and appropriate the sum of \$27,978 for the Water Filtration SRF Loan Payment for 2020.

The Moderator asked for a motion to move Article 5. Motion to move Article 5 made by Georgette Bachelder. Motion seconded and all in favor say Aye, all opposed say no.

The Aye's in favor of the motion. Article 5 passed.

Article 6. To see if the District will vote to raise and appropriate the sum of \$7,366 for the Water Meter Installation SRF Loan Payment for 2020, with \$7,366 to be paid by Water Customers only. This will be billed on the 1st and 3rd quarter invoices. No monies will be raised from taxation. 2020 is the final year for this bond.

The Moderator asked for a motion to move Article 6. Motion to move Article 6 made by Phil Strittmatter. Motion seconded and all in favor say Aye, all opposed say no.

The Aye's in favor of the motion. Article 6 passed.

Article 7. To see if the District will vote to raise and appropriate the sum of \$25,000 to be added to the Emergencies Expendable Trust Fund. Commissioners Recommend.

Commissioner Scott shared that this is to replenish the Emergencies Expendable Trust Fund as the Deer Meadow Project nearly drained this fund.

The Moderator asked for a motion to move Article 7. Motion to move Article 7 made by Gary French. Motion seconded and all in favor say Aye, all opposed say no.

The Aye's in favor of the motion. Article 7 passed.

Article 8. To see if the District will vote to raise and appropriate the sum of \$2,000 to be added to the Land Survey Capital Reserve Fund. Commissioners Recommend.

Commissioner Scott shared that it is important to build this fund so monies are available to do a survey prior to the next cut which is down the road about 15-20 years.

The Moderator asked for a motion to move Article 8. Motion to move Article 8 made by Frank Baker. Motion seconded and all in favor say Aye, all opposed say no.

The Aye's in favor of the motion. Article 8 passed.

Article 9. We the undersigned petition the selectmen of the town of Webster to redefine the boundaries of the Pillsbury Lake Village District to exclude the following properties that are on a private road (Newport Circle) which is not maintained by the town or Pillsbury Lake Village District, that the residents maintain the privately owned road, that the properties are not on the Pillsbury Lake water system and have private wells, that the properties are not on the lake, that the properties are much larger than any other properties in the district boundaries, and therefore pay the additional taxes without a benefit.

1. 10-1-74
2. 10-1-76
3. 10-1-78
4. 10-1-81AB

Lisa Robinson shared that she has researched this and had maps stating that these properties are part of PLVD. Lisa Robinson said she would like to make a motion to table Article 9 based on the way it is written until we have been able to talk to an attorney about this because the wording is, they are petitioning the selectmen and not the PLVD residents. Motion seconded.

Jamie Dow commented that the wording is statutory—it has to say selectmen.

The Moderator opened the floor for discussion.

Brandon Doherty asked how much of our HOA dollars have been spent on this. Commissioner Scott shared that we have not spent any money. Brandon Doherty said you spent zero dollars? Commissioner Scott confirmed – we have spent zero dollars. Commissioner Pawlowski said shared the money you pay in annual dues goes to Pillsbury Lake Management not Pillsbury Lake

Village District. Brandon Doherty commented – We are voting on something for residents to leave the District. We just found out about this. Can we just take it off the ballot?

Commissioner Scott shared you cannot take something off the Articles. Commissioner Scott shared that if we vote for this, it still has to go to the Town of Webster next year.

Sandy Estep said it is my understanding this road is not maintained by the Town or the District. Who pays for the maintenance of it? Jamie Dow shared that she and her husband and Phil and Joann Strittmatter. A few years ago, we learned that this road was never turned over to the town, we went to District and they said they did not own it, we then went to Management and they said they do not own it. Jamie Dow shared that Christie Marston researched the deeds (not the same deed Lisa is referring to) that there were 4 roads that were not turned over to anyone. Brandon Doherty asked Christie Marston what was spent on legal fees. Christie Marston shared about \$1200.00. Brandon Doherty said that \$1200.00 of HOA were spent. Moderator Scott said point of order this is not a Management meeting this is a PLVD meeting and we are not discussing what Management spent. Lisa Robinson continued to ask what the results of this legal advice and spending by Management was.

Selectwomen Bianca Acebron Peco asked to allow Leslie Palmer to speak to this. Motion made to allow Leslie Palmer to speak on this. Motion seconded. All in favor say Aye, all opposed no. Aye's have it.

Leslie Palmer shared that the Select Board did receive this Petition. It is the Select Board that has the authority to change boundaries. That is what was requested. Statute 52:5. We received the Petition on September 23<sup>rd</sup>. On the 10<sup>th</sup> the Commission asked their attorney. They received a petition warrant article to change the boundaries. The Select Board did not make a decision to change the boundaries. If the board in the first instance didn't vote to change the boundaries there is nothing else to vote on. This vote tonight would be advisory in nature testing the water to see if people feel it makes sense for them to leave the District, but it would not have any legal effect.

Selectwoman Bianca Acebron Peco responded the board did vote on this and they voted 'no not to seek a hearing' and then the board changed members and again they voted 'no'.

The Moderator said there is a motion on the floor by Lisa Robinson to table Article 9. Motion seconded, and all in favor say Aye, all opposed say no.

The Aye's in favor of tabling. Article 9 tabled.

Article 10. To transact any other business that may come before this meeting.

Lisa Robinson asked if there would be an interest in dissolving the District. If you would like to see this, please raise your hands. This will give me a guideline on how to move forward this next year.

Moderator shared with that she will allow that, but that it is inappropriate for this meeting.

There was a question as to the Board's power for the recent special assessment.

Commissioner Scott shared that it was an emergency well that was needed to keep the water running. Because it was in the middle of the year and an emergency, we had to do this. Commissioner Vasquez shared that with the delivery of water that depleted the flow of money, we had to do a well because without it we would have had no water.

Results of voting

#### **Article 1**

Treasurer: Brandon Doherty  
Commissioner: Lisa Robinson  
Moderator: Alison Scott  
Clerk position is still open.

#### **Article 2**

The Bond passed.

After the meeting Commissioner Scott swore in Lisa Robinson, Commissioner, Brandon Doherty, Treasurer and Alison Scott, Moderator.

Moderator adjourned the meeting at 8:47pm.

Signed

Marcia K. Pawlowski, Clerk

*Marcia K. Pawlowski*

Marcia K. Pawlowski, Clerk  
Pillsbury Lake Village District
